infants and children served in the community in 2016 through the Family, Infant & Preschool Program

276

current residents

4,371

residents since opening in 1963

290

volunteers

Why donate?

Your tax-deductible donation is used to educate the community and enhance the quality of life for our neighbors who call the Riddle Center home. Assure the Future funds help provide:

- educational experiences to the community on how to support the inclusion of young children and adults with disabilities in everyday life and;
- enrichment activities for residents that are not provided by the state, such as arts and crafts, birthday parties, horseback riding and Christmas parties and gifts.

How can I help?

Sponsor a Resident

Donate \$36 a year to be used directly by your resident for recreational activities and make them feel special by giving them birthday and Christmas gifts or just a card to say "Hello"

Sponsor a Home

A great opportunity for groups to provide an entire home with special activities, such as holiday parties or themed meals, or to donate towards unique needs of the living area

Donate to Pandora's Box

Pandora's Box is an on-campus, free "store" stocked with donations of clothes, toiletries, games and other supplies to give residents the independence of a real shopping experience
