READ ALL INSTRUCTIONS CAREFULLY

- (1) Have your Pre-Admission Tests done a minimum of **3 weeks** prior to Endoscopy. Pre-Admission testing can be done at Lab Corp or Quest depending on your insurance. Please remember that labs do not do EKG's. EKG's can be done thru the Outpatient Department of the Hospital. No appointment is necessary. If you have these tests done by your primary/family physician, be sure the results are faxed to our office. It is your responsibility to have all blood work and Ekg's in our office. **Remember, please check with your insurance to make sure the facility is in network to have your pre-admission testing done.**
- (2) Review the medication form included in this packet. Make sure you know when to discontinue the medications listed and if the physician has written specific instructions on your medications, make sure you follow these instructions.
- (3) On the evening before your Endoscopy take nothing by mouth after dinner. Beverages are allowed until midnight. Do not take antacids.
- (4) The **Hospital** or the **Center** will call you the day before your Endoscopy to advise you the **time** that you have to report for the Endoscopy.
- (5) On the day of your Endoscopy _____report to the **Hospital or the Center** at the time you were advised.
- (6) Make sure you have a ride home. You will not be allowed to drive yourself home.
- (7) Notify the office if your **insurance** changes and if referrals are need.
