

## Wash 'N Shield Concentrate Glass & Surface Cleaner

PRODUCT NO.: WH-222-C

- Superior Cleaning Properties
- Streak and Smudge Free
- Biodegradable
- Protects to 30°F (at 10:1 dilution)
- Excellent Water-Shedding Properties
- Additional Freeze Protection by adding Methanol
- Alkylphenol Ethoxylate (APE) Free

Wash 'N Shield Concentrate Glass & Surface Cleaner is a water-based washer solvent formulated to remove stubborn road film in a concentrated formula. This product requires a 10 to 1 dilution with water and becomes a very economical windshield wash and protectant. Easily cleans off road film, bugs and other residues. This product will accept added methanol for better freeze protection. **NOTE:** Use internet search for methanol freeze protection levels before adding methanol to this formula.

Applications & Uses	Dilutions	Directions
Antifreeze Protection to 30°F	<b>DILUTE 10:1 Required</b>	After diluting 10:1, pour into washer reservoir. Using your vehicle's washer system, spray windshield several times while running the wiper blades to build up a protective surface.

### Suggested Industry Applications:

Automotive  
Dealerships  
Fleet Operations  
Highway Maintenance

Quick-Lube Facilities  
Service Stations  
Truck Dealerships

Tune-Up Facilities  
School Bus Systems

### Specifications:

Appearance	Clear, thin orange liquid
Odor	Slight alcohol
pH	7 - 8
Flashpoint	130°F
%VOC	Concentrate > 10%
DOT Label	Flammable / Poison

### General Cautions For Use:

As with all cleaning agents, keep this product out of the reach of children.  
Dilution is required before use. Once diluted, additional methanol can be added for better freeze protection.

### Container Sizes:

4/1 Gallon Case  
5 Gallon Pail  
55 Gallon Drum  
275 Gallon Totes Available Upon Request
