

Commercial Permit Submittal Requirements

CONSTRUCTION DOCUMENT SUBMITTALS: Completed set of construction documents are required for plan review. Construction documents must be submitted along with completed permit application form. Permit Application shall be included in full and include applicant name, phone #, email address and address for project / work. Note: Incomplete permit applications will delay the plan review and permit approval processes.

- An additional set of plans will be required for buildings with fire sprinklers
- An additional set of plans will be required for projects which require a health review

Note: Drawings containing a label such as “not for construction” or “for pricing only” will not be accepted for permit application.

PROFESSIONAL LICENSE: Each drawing and document shall be sealed, signed, dated and designed by a State of Texas Registered Architect, Registered Engineer, Registered Interior Designer, where applicable as required by the State of Texas Engineering and Architect Practice Act.

REQUIRED DRAWINGS AND DOCUMENTS: (City Building Inspection Department may request additional information if necessary).

Drawings must be drawn to scale, dimensioned and of sufficient clarity.
