

UNFAILING LOVE CLINIC

1 John 4:19

Awaken, Get Up, and Dust off those Old Dreams!

“Then he said to me, “Prophecy to these bones and say to them, ‘Dry bones, hear the word of the Lord!’”

Ezekiel 37:4

Praises & Prayer Requests >>>

- New Partnerships
 - New Additions to our Team
 - Every person we serve
 - Growing Endowment Fund
 - Fun and Profitable Chicken Dinner Fundraiser
 - New Dental X-Ray and Ultrasound Machine, New lighting in building
-
- Guidance and discernment with new opportunities
 - Grow staff and volunteer base (office, medical, dental, prayer team)
 - Continued resources so we can effectively serve our community
 - Finish back of building and Open 4 days per week

Doors of Opportunity Arise! Wake up Dry Bones...Wake Up!

King David was told he would be the King of Israel when he was around 15 years old. Within the next 5 years he was placed to serve under King Saul. Eventually, Saul became jealous of David and wanted to kill him, so David went into the wilderness for about 15 years. After the time in the wilderness, David was anointed King of Judah and ruled for a little over 7 years. Then after all the opposition and what appeared to be going away from his promise, he was anointed King of Israel. David waited over 22 years to stand in his promise.

Over the years, I believe the Lord has put desires and dreams within us. When we first receive the passion and desire we're ready to run and see it happen...immediately. Unfortunately, that's not usually how the Kingdom works.

It's this process of sowing and reaping. When it's time to reap, the initial harvest we see are first fruits, then as we continue to tend and care for the soil and seed, our harvest continues to increase. Some years are years of maintaining. Other years, unexpected circumstances can arise and we have to take care of the issue, otherwise it can have poor effects on our harvest.

In the natural, these can include pests, animals digging in the ground, drought, or flooding...the list goes on. When this happens to our God-given dreams...waiting, not going the direction we thought we should, transition, etc...it can bring discouragement, doubt, fear, or unbelief that God will continue and fulfill what He promised us.

Some have been waiting years for their God-given dreams to come to pass. As we wait we can lose hope and see these dreams go dormant. We continue moving forward and put our focus on other things, but deep down we still have this longing and passion to see what God instilled in us come to fruition.

I encourage you to go back to those dreams and desires that you've dismissed. No matter how long ago the passion first arised, you're never too old. God's timing is perfect and the destiny He instilled within you still stands. So pick up those old dreams and dust them off! Lay them before the Lord and ask Him your next steps. That's all we need to know: how to move forward. Many times the first step is **believing** He can still do immeasurably more than we can think or imagine. The second and third steps are **prophesying** that dream and getting in **agreement** with it. Then, **listen** for His direction, and get ready to watch doors of opportunity swing wide open before your eyes!

Thank You >>>

We are truly grateful for your support!

"Everytime I think of you, I give thanks to my God"
-Phillipans 1:3

Fundraiser

No words can truly express our teams gratitude for the community involvement and support with our chicken dinner fundraiser! Thank you to everyone who served and purchased meals. We sold over 5,000 meals!! It was a very busy, but fun day!!

Volunteers

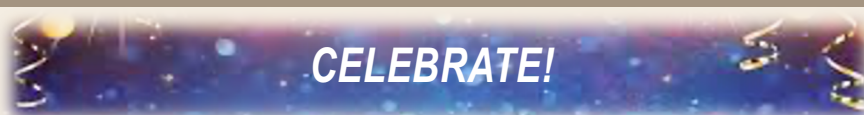

The clinic has 7 paid staff, but we have many volunteers that serve with us. Their help with daily tasks allows us to continue to provide medical and dental services to our community! We couldn't provide and fulfill our current

services without the help of our volunteers! Over the past year, our volunteers totaled over 2,000 volunteer hours! Their servant hearts are a blessing to the clinic ministry!

Donors

We've had many donors who have continually supported the ministry at the clinic for years! Our hearts are filled with gratitude for your continued support and for believing in the mission and vision of the clinic. Although you may not be on the front lines, your support allows us to be in the day to day with the individuals we serve! Thank you for giving us this opportunity to serve!

Serving our Community for 10 years!

In August 2025, the clinic will have been opened for 10 years! It's been a slow steady process, but as our team continued to focus on the task at hand and move one foot in front of the other, we've seen many miracles along the way! It's an honor and blessing to be part of this team and to serve the individuals we do!

These past 10 years have taught me patience, resilience, gratitude, humility, and to love others more than myself. My heart overflows with gratitude to be able to serve my community in this way.

Thank you for giving me this opportunity!
-Kara

We are hoping to celebrate this 10 year milestone in late summer. More details to come!
