Property Inventory:

The Berwick Police Department strongly suggests that you use the form provided in this document to create an inventory of your personal property. An inventory can aide the police department in the event your property is lost or stolen.

When filling out the form, be as detailed as you can. If an item does not have a serial number, you should include identifying marks or characteristics. Once your inventory is completed, keep it in a safe place where it will not get lost or damaged.

Use as many forms as necessary to complete your inventory.
