State of Ohio honors KI Landowners

On Friday, August 10, 2018, State Representative Steve Arndt, presented Christopher Arnold, President of the Kelleys Island Landowners Association with an official Proclamation from the State of Ohio honoring the organization for it’s outstanding contribution to the Village of Kelleys Island. Over the past four decades this organization has organized a Homecoming event where residents celebrate their heritage, their families and the very best of their communities. (The complete Proclamation is held in the Archives of the KILA organization)

  5:00 – 7:00

Hosted By: Kelleys Island EMS
Kelles Island Volunteer Fire Department & Kelles Island Police Department

Kelleys Island cable replacement project

A four hour planned outage is scheduled for Kelleys Island on Sept. 6, 2018 from 6:00 a.m. to 10:00 a.m.

Own a Unique Piece of Kelleys Island!

By Anne and John Bauswein

There is a season for everything, and this season of our lives calls for simplifying. Thoughts of retirement dance in our heads. And so, we are seeking new ownership for this newspaper.

Kelles Life began in October, 1999, and has become an integral part of island life. We lived on the island with our children during the 2000-01 school year so that we could explore the island in all seasons of the year. And when we returned to the mainland (because of our other newspapers), we left a piece of our hearts here. We hold the memories of that year close to us. (Johanna has two island t-shirts woven into her t-shirt memory quilt!)

This newspaper publishes year round and has built a strong advertising base on both the island and mainland.

If you are interested in owning this island venture, please call John at 440-478-6223. Serious inquiries only please.

Kelleys Life now online at www.kelleysisland.com/kelleyslife
There's a new kid on the block!

Caroline Jorski

Jason Divoll is ready and willing to service any maintenance problems you may have from lawn mowers, golf carts, automotive repairs and any repairs in general including large equipment. He has over 20 years experience in this field and offers free estimates if needed. He also does small home repairs which is a benefit for islanders since he will be becoming a full time resident and able to assist immediately.

You may reach Jason at 419-494-6049 or e-mail him at boat7751@gmail.com. Welcome aboard, Jason, glad to have you with us on Kelleys Island.

EMS News

Bob and Kathy Meier were the winners of the EMS Raffle for the lovely table donated by Kathy Phinney and Don Stein. Brett and Lynn Meiers were the winners of the delicious goodie basket donated by Shelly Stein. Stay safe!

Congratulations to our latest winners! Join us for the annual, EMS sponsored, Pumpkin Carving at Peepers/Bag the Moon on Saturday, October 20 from 12 noon – 2:00 p.m. Later in the day, stop in for Terror at the Town Hall, sponsored by Kelleys Island EMS, Kelleys Island Police Department and the Kelleys Island Volunteer Fire Department. This children’s Halloween event will be held on Saturday, October 20 at the Old Town Hall from 5:00 p.m. until 7:00 p.m. Activities will include movies, games and snacks.

Sharon A. Devine, Paramedic

Kelleys Island Historical Association News

Leslie Korenko

Summer is winding down, the kids are back in school and we have just a few more weeks of full-time staffing at the museum. The Kelleys Island History Museum switches to weekends after September 9, the weekend of the Island-Wide Yard sale. Our big yard sale has moved indoors at the Parsonage Resale Shop, but there will be late-arriving items on the front lawn so stop by.

Do you have stuff but don’t want the hassle of holding your own yard sale? Donate it to us. Or did you hold a sale but still have items left over? Bring it down and donate it to us.

Since we are an all-volunteer organization all the funds go back into keeping our doors open and the historic buildings in our care in good repair, including the historic German Reformed Church, built in 1866, the Parsonage next door, built in 1888, and the outhouse. If you think your house needs attention, imagine how much work our buildings need each year.

The Arts & Crafts Show in early August featured about a dozen artisans and was loads of fun. If you missed it you can still order items, just check the events tab on the museum’s website for a list of everyone who participated and how to reach them.

The big Murder Mystery Masquerade held on Long Point was a smashing success. Chef Britney cooked up some rather unusual dishes featuring specialties from her new hometown of New Orleans. DJ JAZMATI (Rafal) spun tunes while a professional troupe led everyone on a merry chase to discover who the murderer was among a dozen suspects! We have to say, each suspect played his or her part to the hilt. The wine pull and silent auction were quite popular and Coach Taylor had his hands full dealing cards at the poker table. The Kelleys Island Historical Museum thanks the many people who made this event possible, particularly Scott and Jodie Smith who were so generous in sharing their lovely Long Point property. We should have a full list of everyone who donated or supported this event in a special way in the next Kelleys Life issue.

There were so many costume and masks including Prince Charming, a mysterious Spanish dancer, a kilted highlander, a pirate, a silk robed playboy, a few top hats and a whole lot of sparkly dresses. The night was perfect, the wine flowed freely, and everyone had a great time. Pictures are already appearing on both Facebook and on the museum’s website. Unfortunately, someone had to die and it was up to us to figure out who, among the suspects had the strongest motive and the best opportunity. And, we must say, it wasn’t easy.

Remember to check our Facebook Page: Kelleys Island History Museum and our website: www.KelleysIslandHistorical.org, for updates and some pretty cool information, not to mention a whole lot of photos from our events.

   - Memorial Park
24. Tail Gate Party  
   - Village Pump
24. The Sights, Scents & Sounds of The Holidays  
   - KI Wine Co.
The turnout for our Island Splash Swim Lessons was fantastic during the first week of August! Everyone either improved their swimming & racing skills or learned the early skills of the floats, kicks & strokes. A big Thank You goes out to Camp Patmos & Dave Sellers for letting us use the pool. The instructors helping this year were John Nestra, Matt Cheek, Kelsi McCourt, Kaitie Eddy, Kris Lyons, Kim Miller, & Holly Miller. Hope to see everyone next August.

Island Splash 2018

Hello friends,

We are here at the finish line of the 2018 season. It is our 19th season as a brewery and we plan to have a lot of fun for our island families to celebrate our 20th Anniversary year. Our newsletter is already in design, our presence as a destination brewery is continuing to flourish and our tradition of hosting events is quickly filling up our 2019 schedule. Along with our future club sponsorships we plan for, we expect 2019 to be our best season ever. (stay tuned this winter to sign up)

For now, our big announcement is we will be Open 7 Days A Week From 9 a.m. TO 6 p.m. throughout September (closed 2 days for fire maintenance) and 6 days a week in October (closed 4 days for floor maintenance).

Come join us, we will have fresh daily specials and $5 breakfast items every day, along with a $5 drink special and a beer special.

We have new members on our team, Kennedy and Jared, so please stop in, meet them and help them feel the brewery love. Having a degree in Eco-tourism and being seasonal employees, they are the perfect match for the island life and team brewery where our commitment to recycling and water preservation continues.

September 15 will be the Kayak Poker Paddle which now benefits the Lake Erie Water Protectors. The event is being coordinated by Dawn Solder from Island Adventures and you can register at the brewery. The website is on our Facebook page. Reach out if you have any questions. It will be leaving from the State Park.

Our Fall Foliage weekends will be quite busy, as the end of the season shoppers and beer lovers come to find a deal and some of the last pints of our Devils Shadow, Dawg Bizkit and Island Devil of the season. Did you take our Survey on Facebook yet? We want to hear from you…

Octoberfest will be held Saturday, October 6. The event begins at 1:00 p.m. Octoberfest will be our authentic German Fare and usually sells out by about 6 p.m. It will be filled with bratwurst, schnitzel balls, wiener schnitzel, homemade German potato salad and $5 beers are all great reasons to make plans now.

19th annual Chili Cook-Off will be held on Saturday, Oct 13. The event begins at 1:00 p.m. Take on the challenge to be a contestant this year for our chili cook-off! We need some new chefs to bring their best for our Original, Authentic and Favorite categories. We love the vegetarian category also, so let’s see if we can get enough. You need to bring 8 quarts for the tasting judges.

The Children’s Halloween celebration will be held on Saturday, Oct/ 20 from 3:00 – 5:00 p.m. Activities include a parade, crafts and treats.

Our fall wedding this year is Sept 22. We will close at noon and reopen Sunday at 8 a.m. All other days, check our sign or our Facebook page. We look forward to making you dinner this fall and having you come in and spend some beautiful autumn time with us, our favorite time of year.

Patti Johnson-Munanyi
Kelleys Island Chamber of Commerce Update

Jordan Killam

We’ve had such an active summer here at the Chamber! We kicked off our season with the Bike Week Dice Run, powered through a rainy 5k & 10K Rock Run, hosted our first-ever circus for the Mad River Bike Tour, raised over $10,000 for the Island Fest Fireworks display, put on a killer blockbuster Film Fest, staged our first-ever circus for the Mad River Bike Tour, and plotted our famous Treasure Island island-wide sale. None of this would have been possible without the help of countless volunteers and generous sponsors. We thank you for your service to our Chamber and to the Kelleys Island Community!

The Chamber-sponsored calendar of events may have drawn to a close, but it doesn’t mean that the island fun has to end. Fall is a special time here on Kelleys Island. The breeze off the lake is warm, the trees turn brilliant colors, and the number of tourists dwindles. It’s an excellent time to observe wildlife in peace, to be still and reflective. There are also many wonderful events on the calendar, brought to you by our great island organizations.

September brings with it many fun events for the whole family, including Butterfly Fest and Yard Sale, Wine Fest & Art Fair, Kayak Poker Paddle, Feathers and Foliage, Harvest Fest, and Lobster Fest. October’s agenda begins with the 27th annual Pre-Thanksgiving Dinner, Murder Mystery, 19th annual Chili Cook-off, EMS Pumpkin Carving, Kelleys Island Halloween Party, KELA Family Hayride, EMS Terror at Town Hall, and concludes with Adult Halloween.

While we’re on the topic of all things spooky, back in August, the Chamber was approached by the creators of a new series for an Occurrences Studies Podcast, based in Chicago. The podcasters came to the Island seeking stories of haunted places and ghost sightings, and recorded a special episode at the Kelleys Island History Museum. A call for island-based paranormal experiences was put out on Facebook and we received many responses, some of which we shared on the air. Leslie Korenko, our island Historian, helped us put it all in context. It was our first foray into podcasting, and we’re proud to say it was a fruitful experience. The episode will be our first foray into podcasting, and we’re proud to say it was a fruitful experience. The episode will be

It just goes to show that there are so many types of tourism experiences that can be had on our special island. One of the best ways you and your family can access these varied experiences this fall is by participating in a detailed scavenger hunt, organized by the Chamber and Kelleys Island History Museum. This includes historic home tours, a scavenger hunt, and ultimate learning about the true spirit of our island’s treasures and wildlife to exploring historic buildings, and historical resources across public and private boundaries, and changing demographics (size, age, seasonality, ownership, economic status, etc.). The goal is to discuss and implement best practices for tackling these challenges.

GLIA will facilitate the 2nd annual Islands Summit October 1-2 on Madeline Island in Lake Superior. For the first time, Kelleys Island will be represented. The program agenda includes water levels and their impact on tourism, strategies for island economic development, and seasonal worker housing. We look forward to bringing back what we have learned to affect positive change on our island! For more information about GLIA, visit northland.edu/sustainability/ crc/great-lakes-islands/.

Please note that our 2019 board elections will be held on Wednesday, September 12 at the Kelleys Island School. It’s crucial that we have enough people present so we can facilitate a vote. If you would like to nominate a member of your community (with their permission, of course) or yourself for a board position, please call the office at 419-746-2360.

We thank you for your support in this 2018 summer season and look forward to bringing you a fantastic schedule of events and valuable services in 2019!

TREASURE ISLAND DAY
SATURDAY, SEPTEMBER 8 & 9
9 AM – 3 PM

For $20 each participant will receive a kit including:
- Advertising • Treasure Island Day yard sign • Pricing Stickers
- Designation on the Treasure Island Day map that will be distributed at the Island Market and the Chamber Office at 9:00 am on the day of the sale.

PLEASE NOTE: PARTICIPANTS ARE RESPONSIBLE FOR PURCHASING THEIR OWN $5 VILLAGE YARD SALE PERMIT FOR TREASURE ISLAND DAY.

In the past, registration was $25 and included this permit. Currently, the price of registration has been lowered to $20, and each participant must purchase their own $5 permit from the Village Office. You must acquire your permit at least 48 hours prior to the start of the sale.

This form and payment must be RECEIVED no later than September 3, 2018 to appear on the Treasure Island Day map.

Submit to: The Chamber Office Open 7 days a week

Hancock-Wood Electric Cooperative will replace one of two submarine cables that provide electricity to Kelleys Island Members. This is great news for the enhanced reliability of your energy service. Right now, your primary electric service is provided through two, four-mile-long submerged cables that extend across Lake Erie from Marblehead to Kelleys Island and are designated as east and west cables. The west cable was replaced in 2003 and is capable of supplying electric service to the entire island; however, the east cable is more than 40 years old and incapable of supplying electric service to all island Members if the west cable were to fail.

A planned outage is the first step of the cable replacement project. The plan is to de-energize the east cable and transfer all electric load to the west cable during a planned outage on Sept. 6, 2018. A four hour outage is scheduled for Kelleys’ Island on Sept. 6, 2018 from 6:00 am to 10:00 am. This outage is to de-energize the east submarine cable that is being replaced and prepare both the Lakeside and Kelleys’ Island sites for excavation. If the weather does not look favorable on Sept. 6 the planned outage will occur on Sept. 11, 2018 from 6:00 am to 10:00 am.

This wooden board represents the history of early power distribution to Kelleys Island with submarine cables. The top cable represents the original submarine cables which were installed to provide electric service to the island. This 1953 cable, which was installed by Lake Erie Electric Cooperative, was later replaced by the 1968 submarine cable. The 1968 submarine cable was installed by Hancock-Wood, after the merger with Lake Erie Electric Cooperative. The cable below the 1968 cable is simply one conductor or piece of the 1968 cable. The bottom two cables sections of the original 1953 cable which failed and had to be repaired.

This picture represents two identical cross sections of the same cable. The cross sections are from the submarine cable installed in 2003. The 2018 cable will be similar to this cable with one significant difference; the cables overall diameter will be slightly larger due to the cable being insulated for a higher voltage. The outer layer of the cable which consists of 27 armor wires each individually covered by a PVC jacket are utilized to physically protect the cable from mechanical damage. The three larger copper cables with insulation around them are utilized to transmit power from Marblehead to Kelleys Island. The two smaller copper wires are for grounding purposes. The smaller red, blue, and black cables are fiber optic lines utilized for communications.

Best Wishes

On July 7th, the wind was blowing at about 17 knots out of the northeast. A wedding took place on the shores of Breakers, on the Kelleys Island eastside property of Stueber/Herndon Family. Dr. Blair Herndon married Dr. Seth Hayes and it was a lovely wedding and great party. Blair and Seth Hayes live in German Village of Columbus, Ohio. Dr. Blair works at OSU as an anesthesiologist and Dr. Seth works at Children's Hospital as a pediatric anesthesiologist. Cheers to the couple!

And the winner is....

I would like to thank everyone who put a guess in at the Island Market for the Bag the Moon $1 Bill contest. We had everything from $145 to $22,000. The real amount is $12,649 and the winner was Jodie Shamberger Crowl with a guess of $12,642.00. Jodie won a $100 gift certificate for Kelleys Island Berry Boatline. Congratulations, Jodie! With that money we were able to donate to Akron's Children's Hospital, Make-a-Wish Foundation, Kelleys EMS children's function, Kelleys Police Department children's functions, Back-to-the-Wild and a few other organizations that help children in need.

We'll thank you in advance for those who participated in Bag's last Poker/Rice Roll. This went to press before the event. Thank you, everyone!

Kathy Reddinger and Crew from Bag the Moon

Kelleys Island Audubon Happenings

Judy DuShane

September is ‘nature month’ for Kelleys Island Audubon Club (KIJAC). Events start out with ‘Glacial Glimpses’ on Sunday, September 2nd. Meet at the grooves at 10:00 p.m. The following weekend on Saturday, September 8th there will be Monarch butterfly tagging at the Kelleys Island Historical Museum at 11:00 a.m. The monthly meeting takes place on Thursday, September 20th at the Kelleys Island school. The potluck is at 6:00 p.m. followed by the program on owls at 7:00 p.m.

The annual ‘Feathers and Foliage Festival’ takes place on Saturday, September 22nd. It takes place at Long Point and includes bird banding and a nature walk. Also, watch for owl banding notices throughout the fall. The Owl Festival is scheduled for November 2nd.

For more information on any of these events call President Pat Hayes at 419-746-2256.

Treasure Island Day

Enjoy the day touring Kelleys Island where you can seek out unique treasures! This event is an island-wide yard sale sponsored by the Kelleys Island Chamber of Commerce. Specific maps of yard sale locations are created and made available at 9:00 a.m. Saturday morning at the Chamber of Commerce office, 240 E Lakeshore Drive at Seaway Marina, and the Island Market 101 Division Street.

Lobster Fest at the Village Pump

Saturday, September 29, 2018
4:00 pm - 8:00 pm

Come join us at the Village Pump for our Annual Lobster Fest! Serving dinner from 4:00 p.m. to 8:00 p.m. Everyone will be accommodated. Lobster tails and sides. There will be no reservations or pre-sale tickets.
Caroline Jorski

Music, food, games, prizes and a lot of fun and laughter brought all ages together on Friday, August 10 and Saturday, August 11th to the Park Pavilion on Addison Street to celebrate the annual Homecoming Celebration.

Children bounced on the Bounce Castle, brought in by Jim Zeller, they gobbled Twinkies in the Twinkie Eating Contest and joined the adults in the infamous Marshmallow golfing contest, which was spear headed by Janet Killam. 16 pies were entered in the pie contest and the six judges had a very hard time picking out winners since they were all delicious—Vicky Finnegan headed this committee and did a fine job.

Jim Coleman gathered all the old timers and new timers at the baseball diamond to have the annual Homecoming pictures taken. Among those having their pictures taken were: Theresa Betzenheimer Berhends, Karen Seeholzer Baker, Deb Seeholzer Phillips, Pat Greenery Seeholzer, Ben Ellers, Laura Jean Seeholzer Pohorence, Mike Feyedelem, LuAnn Pohorence Swindoll, Ruthie Ellers Stafford, Rob Holmes, Kim Holmes, Addie Holmes, Octavia Schnittker, Olivia Schnittker.

The beerslide was a great hit and it was overseen by Drew Algase and his loyal crew and Frank Dodson made sure there was plenty of liquid refreshment to satisfy anyone from beer to cold drinks. Good job, Frank. A casual food court of hot dogs, chicken nuggets, corn dogs and nachos with warm melted cheese plus condiments added to the family picnic atmosphere. Kiki Arnold and her team made sure all went well with the help of many volunteers.

Many wonderful prizes graced the Silent Auction tent while bidders hovered over the special item that caught their eye all hoping to grab diamond to have the annual Homecoming pictures taken. Kiki Arnold and her team made sure all went well with the help of many volunteers.

Many wonderful prizes graced the Silent Auction tent while bidders hovered over the special item that caught their eye all hoping to grab...
that unique gift at a special price. Volunteers manned the KILA booth which offered T-shirts, wine and beer glasses and a chance to take a raffle ticket for that $2500 prize plus other monetary prizes. Thanks to ALL the volunteers for taking the time out of their busy day to assist in this effort.

Music was provided by Frank and Dean, the Fat City Band and Unchained. How nice to see the young people dancing with their quick body movements while the older generation just slowly swayed to the music.

Coming to Kelleys Island to help celebrate in the parade was the lively band from Elyria High School Band in Elyria, Ohio and also joining in the festivities were the McKean family from Wellington, Ohio. Their float, The 82nd Airborne Fighting Roosters, earned them a prize for their efforts, Parade Marshals were: Bill and Barb Coleman, who first organized KILA in the 70’s and Bernie Koshla, beloved and loyal EMT of many years led the parade. The Theme this year was “Honoring Those Who Serve”. Tom Behlen was responsible for organizing the parade and he did a fine job.

RaffleTicket Winners 2018
Nora Kaufman $2500
Robyn Benifucio $1000
Andy Thomson $500
Ruth Bradshaw $250
Charlie Randazzo $100
Jan Jorski 50/50

Pie Contest Winners:
1st place Virginia Coyne
Lucious Lemon Sour Cream Pie
2nd Sue Lange - Apple Crumb Pie (also most like grandma’s)
3rd Denise Freasady - Summer Harvest Strawberry Peach
4th Chase Barledge
Carrot Cake Pie (Most Original)

Parade Float Winners:
Megan and Breanne McKeen, 82nd Airborne-Fighting Roosters

Music was provided by Frank and Dean, the Fat City Band and Unchained. How nice to see the young people dancing with their quick body movements while the older generation just slowly swayed to the music.

827 E Lakeshore

Absolutely One of a Kind Queen Anne Victorian. 8+ Bedrooms. Perfect for your Super-Sized Family! New Price $789,900

The Kelleys Island 4th Annual Harvest Festival will take place in Memorial Park, the heart of downtown Kelleys Island. The event will be held from 11:00 a.m. - 4:00 p.m. The festival will be filled with fun family activities to kick-off the beginning of the beautiful fall season. Activities include children’s games, pumpkin painting, scarecrow making, chicken poop drop and a collection of vendors. Harvest Fest is a community event, and the proceeds will be used to support improvements to Memorial Park. Don’t miss this special opportunity to welcome our wonderful warm fall weather to the island! Scarecrow frames will be available soon for a $25 donation.

2nd Annual Bash on the Bay

Put-in-Bay, OH (August 23, 2018) - The 2nd annual Bash on the Bay Country Music Festival, featuring Ohio’s own Rascal Flatts, is scheduled to take place on Thursday, August 30. Held at the Put-In-Bay Airport, this year’s outstanding lineup also includes Chris Lane, Joe Nichols, Cory Farley Band, and more. Tickets for the festival are on sale now through Etix.com. A special Rascal Flatts VIP experience ticket is also available! Information can be found at BashontheBay.com.
Kelleys Island School Update

As you drop in to the Kelleys Island School this year, you will see old and new faces. The Kelleys Island School Board has hired a Physical Education teacher, Beth Lyn Lesch, who will be here one day a week, each Wednesday. She will also begin Fitness programs for our Island Community. They will be on Wednesday. The times will be announced soon. Coralee Winiewski has been hired as our music teacher. She will be at the school on Tuesdays. Janice Kraus, a familiar Kelleys Island face, has been hired as a technology specialist to assist our students on an as needed basis. Vicki VanNess will be our guidance counselor. She is retired from Perkins and has also been working on Put-In-Bay. The Kelleys Island School Board has filled its open board seat. Tom Beck has been sworn in. We are expecting new students as well. We will keep the community posted on additions to our school. Our Kelleys Island Field Station Director, Beth Witte, has resigned to begin a new life in Montana. She has created exciting partnerships and valuable programs in her time on the island. We will miss her skills and creativeness. An “interim coordinator” will be hired to finish off the 2018 year, Jackie Taylor, coming to us from Put-In-Bay. Jackie has worked with Beth at The Kelleys Island Field Station, with OSU Stone Lab, as well as with the Lake Erie Islands Nature and Wildlife Center.

CONTROLLED DEER HUNT

November 26th – November 30th
Where: Edison Woods MetroPark, 8111 Smokey Road, Berlin Heights, Ohio
Who: Adults 18+ with an Ohio Hunting License
Cost: $5 application fee (please make checks payable to “Erie MetroParks”)
How to Apply: List name, address, phone number, date of birth.
If you are mobility impaired:
Mail information and application fee no later than October 5th to:
Erie MetroParks ATTN: Tara Kauffman, 3910 Perkins Avenue, Huron, Ohio 44839

Swim & Golf Cart Poker Run
Kelleys Island Make-A-Wish

This 24th year has been one for the The Golf Cart Poker Run, ran by Sam & Janei Sharaba, was the most successful run to date. We sold a record number of poker hands, 483. Donations of a guitar from Woody’s signed by all the bands from ‘Rock On The Range’ - graciously done by Adam Graham, was won then auctioned off by it’s new owner and bought by Gale Cunningham for $1200.00. The Browns VIP tickets were won and enjoyed by Barb Osterling. Multiple baskets donated by All-Ports YC, Cedar Point YC, George & Sharon Wilson & a Pedal Car by Sam & Janie Sharaba were a huge hit. Over-all the funds raised in over $17,000.00 to add to our bank account for Make-A-Wish.

Sunday, Cindra & I suited up and were out at Starve Island ready to jump in when Cindra’s husband Paul got a call from our Water Department. They warned us that the White Algae count had spiked overnight and if we swam, it could be deadly for our health. Being in the water for 5 hours, swallowing the water & breathing the air close to the surface could have caused us respiratory distress or possibly kidney problems. At my age, I did not want to even tempt fate. A big Thank You to: Kelleys Island Ferry and the Paladino family for bringing over our Wish Children and their families at no cost. Jackie & Bryan Hocevar for taking care of us and our Wish Children. Randy & Dee Pirtle for cooking all our food. Cindra’s Landing (Danni Tennant & Ricci Wisehart) for hosting and selling the tickets for our dock-box. Tickets will be sold at Portside Marina for $10.00 each. Come, buy a boat load, support Make-A-Wish and Go Tribe!! (Need not be present to win, drawing on October 28th).

We would like to thank all the island businesses for their support in donations of gifts and money. These contributions make our Golf Cart Poker Run so successful. Tremendous Thank you to: Kelleys Island Ferry and the Paladino family for bringing over our Wish Children and their families at no cost. Jackie & Bryan Hocevar for taking care of us and our Wish Children. Randy & Dee Pirtle for cooking all our food. Kelleys Landing (Danni Tennant & Ricci Wisehart) for hosting and selling the tickets for our dock-box of Spirits. A huge Thank You goes out to Rob & Jen Parish from Portside Marina & Dockers Restaurant for supporting our efforts in so many ways. Without their support we could not have had such an outstanding year. Last but not least, our husbands, family & children who helped out every way possible.

Next year will be a quarter of a century, 25 years strong. Golf Cart Poker Run Saturday, August 3, 2019, Swim Sunday, August 4, 2019. Thanks and Love, Cindra & Jeni.
Nature Camp – Kelleys Island

An enthusiastic group of campers aged 5 to 12 met at the Ballpark Pavilion on Wednesday, August 8 to learn about plant life on Kelley’s Island. Lisa Brohl from the O.S.U. Stone Lab at Put-in-Bay brought us some “tasty” White Pine tea and Staghorn Sumac lemonade to sample and led us on an interactive hike. Campers were encouraged to look and touch everything, except the plentiful poison ivy! Patty Haley and Tyler McClain, both from Kelley’s Island State Park, brought a collection of live butterflies and caterpillars to help our campers learn about and appreciate some of the local insects who depend on plants.

Snacks, crafts, and games were also mixed into this 1/2 day learning adventure. Nature Camp will return in 2020 with a new theme. Hope you can join us then.

Colonial Williamsburg, Virginia

This photo was taken on the Palace Green during our July trip to Colonial Williamsburg Virginia. This living history museum defines itself as “the only place that takes you back in time to the dawn of America, to the place where the idea of our country was born; the place where the ideals we stand for as Americans were defined”. You can experience the 18th century live and in person. The programming is “filled with the stories of the women, men, and children—free and enslaved—whose values and visions gave us a new world. You can step back in time and meet the people who made America—sing with them, dance with them, eat with them, and have fun with them. For every person who wants to understand this country, this is your place.” Colonial Williamsburg is a great vacation for anyone interested in American history. There are programs for all age groups. We participated in an 18th century tavern tour one night. We visited three historic local establishments where we tasted period beverages while we learned about traditions, culture and living conditions of the time. One of our other favorite programs was “Running of the Engine”. We learned that when a building fire occurred during the colonial period everyone helped out. Bucket brigades not only tossed water directly onto fires, but also filled the first fire pumps with water. The community worked together to put out fires. Saving a structure was rarely possible, but they could prevent neighboring homes and businesses from catching on fire. The city has many more programs, museums, and homes.
Conservation Partners Protect Globally Significant Habitat, Create Public Preserve

Western Reserve Land Conservancy recently partnered with Ron Curilla and the Village of Kelleys Island to create a new 15-acre public preserve that permanently preserves beautiful and rare habitat.

The property is located on the southwest quadrant of Kelleys Island, approximately one-quarter mile north of the Lake Erie coastline, and within walking distance of the downtown.

The Curilla family purchased the property, previously quarried and farmed, in 1972. Though there were once plans drawn up to develop the property, Ron Curilla talked his late father, Ed, out of building on the property. “There are plenty of places to build, but this is a special place worthy of conserving,” said Ron Curilla. “It was my greatest wish to see this happen. I hope future generations see the value in conserved properties like this.”

“The diligent efforts of Western Reserve Land Conservancy, the people of Kelleys Island, and the Curilla family are to be applauded,” said Congresswoman Marcy Kaptur, chairman of the House Marine and International Conservation Task Force. “This new 15-acre preserve will protect the beautiful woodlands and wildlife on Kelleys, helping to sustain the island’s natural beauty for generations to come.”

The project boasts a 3-acre Great Lakes Alvar coastline. Andy McDowell, vice president of western field operations for the Land Conservancy explained that alvars are unique, globally significant habitats mostly found along shorelines where limestone bedrock lies flat and open with thin soils, sparse vegetation, and limited tree cover. In the United States, alvar occurs only within the Lake Erie Islands and in the northern parts of New York and Michigan. Alvars contain distinctive plant communities adapted to such extreme conditions. Among the plant species found within this unique community are red cedar and hackberry. Mature forest makes up a significant share of the property. These forests provide important habitat for wildlife, especially migrating birds that depend on Kelleys Island as critical stopover point. Two small ponds are also located on the property, which are of particular value to reptiles, amphibians, and a diverse array of dragonflies and damselflies.

With assistance from the Land Conservancy, the Village of Kelleys Island applied for and was awarded grant funding to purchase the highly-developable property through the Clean Ohio Conservation Fund, a voter-approved source of revenue for projects preserving natural areas in the state. As part of the funding requirements, the Village granted a conservation easement to the Land Conservancy to permanently conserve the property. McDowell explained that additional funding was provided through individual donations. The project received wide community support including volunteer clean up help from Kelleys Island Audubon Club and ongoing stewardship support from the Cleveland Museum of Natural History. The Land Conservancy and the Museum worked together to create the adjacent 60-acre Huntley-Beatty Quarry Preserve in 2012. “Joining the Ed Curilla Preserve and the Huntley-Beatty Quarry Preserve offers hikers, bird watchers and nature lovers a combined beautiful area of woods, wetlands, alvar, quarry and exquisite and rare plants, including the endangered Lakeside Daisy,” said June Campbell of the Kelleys Island Village Park District Recreation Board. It is a complete experience of the island’s natural areas and lovely to include when spending a day to explore Kelleys Island.

The Ed Curilla Preserve is an important addition to an impressive, interconnected system of natural areas on Kelleys Island. More than 825 acres, or approximately one-third of the island, is now protected in its natural state. “Many appreciate the rich geological and natural heritage of Kelleys Island,” said McDowell, “We are proud to work with conservation partners to provide public access to these natural wonders.”

Plans for the Ed Curilla Preserve are currently under development and the property will be opened to the public at a later date.
The Zion United Methodist Church on Kelleys Island hosted the annual Vacation Bible School program on July 16 – 20. The program was concluded during the Sunday Worship Service held on July 22. The bible school attendants planned and participated in the service.

Thank you to a great group of volunteers – Pastor Ginny, Annalee, Megan Ashley, Virginia Coyne, Nathan Falken, Katya Fenton, Kevin and Shari Fenton, Paul and Vicki Finnegan, Annabelle Fisher, Deb Haig, Pam Haig, Grace Hanna, Shari Herman, Phyllis and Stuart Humphrey, Mary Kull, Dasha Marchick, Hannah McBride, Kathie McGraw, Chrissy Pogan, Willis Sansom, Olivia and Octavia Schnittker, Barb Shadle, Laura Von Benken, Cynthia Wagner, Peggy Wideman.

Thank you for donations of snacks, drinks and craft supplies – Karen Erne, Patti Johnson, Lisa Klonaris, Kathy Redding, Dave Marko, Jennifer Volz.

Thank you also, to the “man and woman power” who set up last Sunday and who assisted us today after the worship service.

Zion United Methodist Church Vacation Bible School

Sandusky, Ohio, August 16, 2018 - Milan native Weston Strayer has joined the Lake Erie Shores & Islands group accounts team as Sports Tourism Manager. In this newly-created position, Strayer will be selling the destination to sports events rights holders, coaches, and families in a manner that maximizes economic impact and increases hotel occupancy. Additionally, he will be supporting and growing existing events, building stronger relationships with partners, maintaining the leisure sports calendar, and attending sports-related tradeshows.

Strayer is a graduate of Edison High School and The Ohio State University, both undergraduate and graduate degrees. He previously worked with the basketball team at The Ohio State University under former head coach Thad Matta and coached at Lake Superior State University and Radford University. Most recently he has worked in commercial insurance. Strayer has a passion for sports, marketing, and the Lake Erie Shores & Islands region. One of his first official duties will be to attend the Connect Sports Marketplace this month. Strayer will be based out of the Sandusky location of Lake Erie Shores & Islands and can be reached at Weston@shoresandislands.com.

Strayer Joins Lake Erie Shores & Islands Team
