MEET THE BOARD

Barb Neely is our Membership Chairman. A self described Army Brat, she has lived all over the world, attending 4 different high schools and graduating from the University of Hawaii. Her most fun job was as a bartender and cocktail waitress in the Officer's Club on the beach in Honolulu. She learned to ski in Germany where her dad was stationed. While in Germany she met and married a Captain in the Army, and at one point they lived for 4 years behind the Berlin Wall. After her husband retired they started vacationing on Hilton Head, bought property here in 2010, and moved here in 2012. What an interesting life!
