19 and under

## WOODLAND AERO MODELERS OPEN HOUSE

**Saturday, June 14,\* 11am–3pm**  
**at the Waterfall Glen Model Airfield**  
**Entrance is on Bluff Road, 2 miles south of I55**

### Experience Your Own First Flight

- See all types of model aircraft fly at the Open House
- Experience your own free introductory flight  
Instructors use the “Buddy Box” method with two radios, and the instructor can take control at any time
- Learn about the free flight instruction program using club equipment until you are a safe and competent flyer

### About Our Club

- New members of any age and experience are always welcome
- Members provide help on selection and purchase of equipment, and assistance with model building, repairs and technical issues
- The field is open for flying year-round
- The Club holds a monthly meeting, and social events throughout the year

\* Flying is weather dependent. The weather delay date is Sunday June 15. This decision will be made by noon on Friday, June 13. Check for updates at: [www.woodlandaeromodelers.org](http://www.woodlandaeromodelers.org)
