

# Reading Readiness

Enrichment Program

“To learn to read is to light a fire; every syllable that is spelled out is a spark.”

-Victor Hugo

In our Reading Readiness Program, we will prepare young learners for the rigor of kindergarten with a focus on alphabet recognition, letter sound association, and the reading comprehension skills necessary for being ready to read in kindergarten.

## **Reading Readiness:**

- Follow the Jolly Phonics Curriculum
- Participate in creative games
- Explore art and oral activities

Your child will be engaged and excited while learning to get ready to read in kindergarten. We are offering a 29-week program (September thru April). The program is broken up into 6 sessions. Each session will focus on one letter of the alphabet per week, with much of the last session as review.
