

The Villages Shrine Club Newsletter

May and June 2020

This newsletter will continue to focus primarily on what is upcoming, if anything, special or not, and include a calendar of events for the period covered above, although it will contain important information and highlights of what has been going on also.

Lastly, this, and all future newsletters will be sent electronically to all our members to save our extremely limited dollars and apply them to the most important funding we do – The Shriner’s Health Care for Children in Tampa, Florida. The newsletter is published on the Villages Shrine Club web page also, www.thevillagesshrineclub.org. Our Secretary, Noble Jim Chaffin, indicates we have only a handful of our members who do not have an email address, while most do. If you are reading this and know of one of the few nobles who do not have email access, please share and remind them of our meetings and events. Also, remember the above web page, www.thevillagesshrineclub.org, and to frequently check for updates and important information that can be, and is published, faster than we could ever possibly do by regular mail in years past. Also, check the Villages Daily Sun Rec News, published the Thursday before our scheduled meeting, which is the second Tuesday of the each month, with a social hour at 6:00 pm and the meeting at 7:00 pm, as to time, place and what is scheduled for food. The Rec News does limit our space to 50 words or less and must edit comments exceeding that. We will try to put the menu in the Rec News announcement, and include what we are asking members to bring, guest speakers, guests, entertainment and dignitaries scheduled to attend (if any).

As is the usual custom, and for the benefit of all as well as those who have just relocated to The Villages, and recently affiliated with the Shrine Club, in addition to upcoming events, a brief biography of the President, First and Second Vice Presidents are included at the end of this newsletter.

Calendar of Events Club, are as follows:

All events for the month of May are cancelled. See Grand Lodge Directive #4 which is attached. It is the hope of the Prez that we will have a meeting for the month of June and the signups for the October paper drive. Contact Noble Larry Lace via the contact button on our web site to send him your first choice to work during this especially important event.

Bahia Shrine Temple has several events (not during May, but depending on what is going on per the Grand Master's instructions in the future) upcoming you and your spouse may want to attend. Their website contains many more specifics and you can sign up for email notification of all that is going on. Go to www.bahiashriners.org, and set up a notification to receive their updates. Also, just so everyone knows as we advised in the previous newsletters, Bahia is not currently sending out a paper Caravan, rather, it is located on their web site also in electronic format.

The Villages Masonic Lodge #394 – meetings are held on the second Monday of each month at the Wildwood Masonic Lodge Building, Georgia St., Wildwood, FL. A social lunch is held at 12:30 with the stated communication held at 1:30. In addition to their monthly trestleboard, they have a page dedicated to appendant bodies in the local area, as to time and place of all Masonic meetings in that trestleboard, so there is a time and place for everyone to attend a Masonic function of their choice. You can look at the Villages Lodge website at villagesmasoniclodge.com to find out what they have upcoming.

The Valley of Ocala, Orient of Florida, of the Scottish Rite. Meets at the Scottish Rite Masonic Center, 3632 NE 7th St., Ocala, Florida on the first Monday of each month. The Executive Board meets at 5:30pm, dinner is at 6:30 pm and the monthly meeting is at 7:30 pm. Spring 2020 reunions will be held on Saturday, 14

and Saturday, 28 March 2020 starting at 0730. Their web page is scottishriteocala.org.

From our Secretary:

We currently have 102 members. Our new membership committee chairman, Illustrious Sir Clifford (Clippie the Clown) Chapman, Past Potentate of Medina Shrine Temple is working to develop new ways to attract new members to our Club, including those who are already affiliated with a Shrine Temple elsewhere and have recently relocated to the Villages.

If you meet a fellow Shriner, invite him to a meeting, and to bring his spouse, if he has one, and any friends or neighbors. Recruiting those already members of a Shrine Temple, or somebody you know who is interested in the Masonic Fraternity, because in their other life they had to work (and then the Shrine), is something we should be involved in. We need to increase our membership.

A note to the board and all members: If anyone from Bahia shows up at one of our meetings and asks the Club to purchase a ticket, or tickets, for one of their events, which this information does not preclude an individual Club member from doing so, if a Club officer wants to purchase tickets on behalf of the Club, the number of tickets purchased is to be voted on by the Board of Directors and club officers at their next monthly meeting. Expenditure of Club funds in the form of a motion was made, seconded and approved by those duly elected officers and installed board members present (Nobles Jim Chaffin, Larry Lace, Emmett Mills, Gary Gray, David Windmiller, Philip Theim, Bob Moynihan), as well as volunteers and appointed – not voting - Nobles Bob Leighton , III. Sir Clifford Chapman, PP of Medina Shrine, to NOT purchase any items until the Board has had a chance to review and approve said purchase.

Notes from the Prez:

Since we have only one possible meeting, June 2020, I am including several previously published items. If you do not follow meetings and updates on the web site, the June meeting will be published in the Rec News when an exact date is determined.

We still need a food committee: Nobles – to assist the Second Vice President and Second Vice President in training, we need volunteers to provide for the placement of table clothes, help serve the food and do a quick clean up at the end of the meeting (see the volunteers needed at the end of this newsletter). Many of the Ladies of Al Kora currently assist in cleaning up after the meeting has ended. Seems like that is not their job. This is our meeting, The Villages Shrine Club, and we should be doing all the work, not the Ladies. At least 3 members are needed to ensure that the food is served, tables set up, and cleaned up after. One more job that volunteers can do, one for those who cannot stand at a door for several hours at the paper drive, that only takes a few minutes to do, but is an especially important part of the meeting. A listing of volunteers needed is attached.

Phil Dirt and Alex Santoriello shows: I have contacted Mark Frye to determine if his group, Phil Dirt and the Dozers, are still going to donate to the Shriners Hospital for Children. Mark indicated they still want to donate to the Shriners Hospitals, but that they did not make anything at their last appearance in the Villages. They have a show upcoming in April 2020 (which has been cancelled) at Savannah Center, (and their advertisement in the Sun says the show is to benefit the Shriners Hospital for Children), and Mark asked if we would help with the promotion of the show so they can donate to us for the Hospital. Ask as many people as you know to purchase a ticket, or several, to attend both Phil Dirt and Alex Santoriello's performances. They send money to us and we send it to the Hospital. Alex, as is Mark, a member of the Shrine and Masonic Fraternity. This is an opportunity for our members to perhaps, volunteer for – i.e. attend – and show up at Savannah Center to welcome guests, wearing your Shrine Club shirt

and Fez. Alex and Phil Dirt are both a tremendous show and worth listening to and seeing, and who knows, we may even get a new member!

Greeting potential new members and visitors at Hibiscus.

A reminder to all, they were once new and did not know anyone. Noble Emmett said we need members of the Club to greet Nobles and Visitors at our monthly meetings. It is essential we make them feel welcome. Noble Bob Leighton and his Lady Clair said they would be pleased to be greeters. Thanks Bob and Clair, and especially Bob for volunteering you both.

More stuff – continued - from the Prez:

We have all been staying home till at least 30 April 2020, per the Governor's "Stay Home" order, and thus the 4 April 2020 Vets Party was cancelled. In the meantime, Noble Jim Chaffin and his Lady Judy have been spending their time at home for the betterment of the children we serve and the Club by selling masks. As of the last time Noble Jim passed on to me how the sale was going, he and Judy had received over \$1,700 in donations/sales and when we have one, will present the officers and board of directors with costs involved in shipping masks to the hospital till their needs were met. What would any President of any Club or organization do without a great Secretary and his Lady? A simple thanks seems hardly enough, so I present it to all the membership here, so you know how much work he does and how much he and Judy care about the hospital and Club.

Also, as Past President Tom Miller has suddenly passed away, and Bob and Bonnie Stines have relocated to North Carolina, we will need somebody to sell the 50/50 tickets and say hello to people as they arrive. Contact Noble Emmett on the "contact" button on the web site and volunteer for this important work. In the meantime, for everyone's information, once again, Noble Bob Leighton and his Lady Clair have taken on this duty. Many public thanks again.

I will talk to Noble Floyd Cogley to discuss if he is willing to explain the Shriners Hospital for Children's name change to the Shriners Healthcare for Children. Questions still arise asking if: Tampa is still a Shriners Hospital Component? Does it still function as part of the Shriners Hospital for Children? There seems to be some confusion still about the name change and Tampa's functions regarding The Shriners Hospital for Children, which we would like to clarify.

I note that their TV adds do not change this seemingly, trifling distinction, but recognize that the cost of doing TV adds, and the availability of the children and adults in them, would be one reason to preclude any kind of re-shoot.

Illustrious Sir Mitch Lokken was scheduled to be our guest speaker for the April meeting. He is a Past Potentate of Bahia in 2017. Illustrious Sir Mitch is a member of Imperial Marketing and Public Relations Board for Shriners International.

Remember that we need volunteers to help with the club. The needs are attached to this newsletter.

Stuff from the 1st Vice (Larry Lace):

Pick something you want to do and volunteer for it from the attached list. We have but a handful of folks who volunteer for everything, and without the ladies of our Nobles who do so much, we would be even worse off. They are all so very appreciated, the few kind words in this newsletter are hardly enough to express our sincere appreciation.

Noble Jim Chaffin, our secretary, is keeping Attendance and Volunteer Records, which will be used in the future to make the Club run more smoothly and with greater efficiency, as well as provide our leadership with a list of workers.

As a reminder, and note of what we plan on having for meals at our stated meetings, please watch the Villages Recreation News, published each Thursday

morning and provided to those who subscribe to the newspaper, and this newsletter, to keep up to date.

Remember - July and August – Dark No meetings at Hibiscus for the Shrine Club even if they open!

The 2nd Vice (David Windmiller) says:

We did well at the garage sale at his house, selling about \$2,600 in gently used items. The Prez and all present say: A really big thanks to David and Madelyne for the use of their house and garage and all their work from everyone in the Club. Most especially, the children at the hospital who are the recipients of their generosity, are the ones who appreciate everything we all try to do.

Remember our sick and distressed folks:

Noble George and Lady Renee Edwards – Noble George is still working on his recovery.

Noble Ken and Lady Noel Jennewine – Lady Noel has passed away.

Lady Kyle Schultz, wife of Noble Dana Schultz, has had medical issues.

Lady Susan O'Dell, wife of Noble Erwin "Doc" O'Dell, has had medical issues.

Cards on behalf of the Club have been sent to all. Send me a note if anyone is missed.

From me:

Duties: We still need a backup for our officers and workers. Just because one person does a task, that does not mean nobody else needs to know how he conducts that task. Ours is not a guessing game where we may think we have answers. We must know what to pass on to the next person who assumes our duties. For Example: Who do you call for food? Where do you go for the paper drive? Who is the paper drive coordinator? Who are the store managers and their phone numbers, are but a few items to write down and share with another

worker. This club does well in having a 2nd Vice and a 2nd Vice in training, and 1st Vice so things go well year after year. We just need to have folks lined up to take those and other positions, such as Committees and know what their duties entail. The primary question is: “How do you do what you do”? We need to have an orderly relief of every person who has stepped up to any volunteer position by providing them with enough information to enable them to do that job. Perhaps the Club needs a book of some sort to pass on to each officer in the line, or other worker who does a specific task. One of the most important lessons of Scottish Rite Masonry, Southern Masonic Jurisdiction, taught in the 8th Degree is: “That which a man knows dies with him, therefore – transmit your knowledge.” This clearly demonstrates the need for backups at all positions. I always think about Scottish Rite in Ocala where out last 2 treasurers died in office. Sad that they left us, but sadder that nobody knew what or how they did their job. Ocala was only able to carry on because of the General Secretary, who could do so much of the accounting data.

Some more things to think about. This is your club, the Villages Shrine Club. What convinced you to join the Shrine, after becoming a Master Mason? Was it purely a philanthropic decision or did you want to have a social gathering with like-minded Masons who supported the hospitals, clinics or burns centers? Do you think we, as a club, do too many things that would require you to volunteer to work, and not enough fun things? Are we just a group, or are we a group that works for the Children at Tampa and around the Country? What about the meetings: Too long, too short, not enough guest speakers of interest, too formatted, not formatted enough? We are always looking for input from you, the membership, as to how to make the Club better. Our collections for Tampa are not a competition. We do not try to do better each year than the previous year. All we, as a Shrine organization, try to do is collect what we can. After all, this is a Shrine Club. Send me a note on your thoughts or call me if you can. You can use the contact information at the web site, where you are reading this.

Al Kora Events

Even though this is a Villages Shrine Club newsletter, the ladies of Al Kora, which are such an important part of the Shrine organization here in The Villages, their meetings are included in this newsletter so that everyone reading this can ensure their wives, and widows also, that they are welcome at all Al Kora and Villages Shrine Club events and they know when they are held. Ladies, a public thank you for all you do for both the Club and the Shrine.

For the Information of All regarding Al Kora events:

Al Kora Board meetings are on the 3rd Tuesday of the month at the current President's house

Al Kora Club meetings and lunch are on the 4th Tuesday of the month at the Cottage Inn, Lady Lake.

All meetings for April, and May, are cancelled.

Note all from Janine Woodsford, 2020 President of Al Kora

Hello Al Kora ladies and I am hoping all are healthy and well. Relieved to be going into another month, and we may have some relief soon from the Covid-19. Notice I said, "may have!" Remember, we are a strong group and we are an incredibly supportive group. We are all in this together and we will all come through this together.

Stay home, stay healthy, stay positive.

When we can meet, we will send a note, to all, about when and where we will be having both board meetings and general luncheon meetings.

Janine

In addition to the above, other day trips will be offered to Al Kora members, including husbands, friends and family, that they will be able to select, sign up for and attend, at their meetings, meaning this listing is not all-inclusive.

Note to all from me, Bob Moynihan:

We will leave these biographies and comments in the newsletter for the entire time each officer is serving, with additions/new comments provided as submitted. My contact point is indicated in the newsletter section of the web page. If you have something that is important to the members that should be published, that I missed, please send it to me, especially information regarding those who are ill and unable to attend meetings. It is important that everyone know that we, as an organization, think of them, and not just when they can work, but when they are unable to work also. As members of the Masonic Fraternity, we care about you and your lady. If you have any ideas of how to make the newsletter more informative, send me that also. Just click on my name (Bob Moynihan) and an e-mail will open for you. Look at the web page (www.thevillagesshrineclub.org) for pictures, information and updates of what is going on and in the Recreation News published by The Villages on the Thursday before our monthly meeting so you know what we are having for dinner and what to bring to share.

Lastly, to all our sick and distressed members or their ladies – everyone is thinking of you and sends their best wishes for a speedy recovery. If I left anything or anyone out, it is not intentional. Send me a note about what is not included.
