WELCOME TO THE MANAGER'S DESK, I'M MIKE CORNELL.

WHAT IS IT ABOUT WRVM THAT YOU ENJOY? HERE ARE SOME RECENT LISTENER COMMENTS TELLING US WHAT THEY ENJOY.

[ELIZABETH – SHEBOYGAN FALLS] Dear WRVM, I always enjoy the great music that you play, especially the more upbeat songs, and the old hymns that have been redone. I also very much appreciate lamplighter moment in the early morning, its been a great way to start my day. I love the gaither homecoming radio, the gospel greats, thru the Bible, truth for life, VOM Radio, focal point, and Joni and friends. I love when the radio announcers share scripture, it helps to keep me meditating on the word of God! Thank you for all you do!

[TONY – SCHOFIELD] I enjoy listening to WRVM on my way to work and also on my way home.

[JERRY] Dear Mr. Cornell. We moved to Green Valley Township last Fall and were delighted to learn about WRVM radio. We listen to it all day when at home and as much as possible in the car.

Thank you for your excellence in programming. We enjoy that there are programs for all ages and those who enjoy different music genres. We really enjoy your delightful mix of Christian Contemporary as well as Gospel, Southern Gospel, and of course Hymns.

We also enjoy the programs syndicated by Moody Radio, and the Gaither program on Saturdays. Haven Today and Focus on the Family are go-tos for my wife. While I enjoy In the Market and MoneyWise. Thank you for your interest in hearing from listeners.

[MARGARET – WALLACE] I enjoy each of the announcers as they personalize the songs, scriptures and even the weather.

[PHIL & VALEREE – LISTENING ONLINE IN BRAZIL] Some of our favorite programs are the morning program of music and shorts. Favorites for that time period are Breakpoint, Wednesdays Wisconsin Family connection, Ron Hutchcraft and others. Sundays are my favorite because of all the wonderful music. I've really come to enjoy Mike Fabarez's teaching too. Really appreciate the announcers and you all. Praying for you.

WHAT DO YOU ENJOY LISTENING TO? WE ENJOY HEARING FROM YOU. IT LETS US KNOW THAT THERE REALLY ARE PEOPLE OUT THERE WHO HEAR US WHEN WE TALK INTO A MICROPHONE SECLUDED IN A SOUND PROOF STUDIO.
