PRAYER LIST

PREQUESTS

- Sandy Parmer asked that we keep her family and friends in our prayers. Her daughter, April, who lives in Mobile, Alabama had a seizure and a single car crash. The doctor said she cannot drive until May. Her neurologist said she must stay on her current meds.
- Mindy Scaffie continues to have multiple health problems. She continues to update us on her Facebook and she enjoys reading your comments!
- Darlene Queen has a pacemaker and fibromyalgia. As her husband Jerry likes to say, "she has her good and bad days".
- Roy Stephenson on January 14, 2025, developed a fever and had to have a second surgery. He is making progress and the doctor has cleared him and he has begun to add to his ministerial duties.
- Jeff Leiby continues to have health issues. He went to the emergency room because he was experiencing burning sensation in his lungs. He was referred to a Pulmonologist for further evaluation and treatment.
- Sheri's friends Debbie and Cayle have cancer. Debbie will start on a new chemotherapy drug. Her last tests results were not good.
- Chuck Brehm was referred to a Vascular specialist in Gainesville, Georgia because of recurrent blood clots in his leg but the doctors indicated there was nothing new they could do to help him.

- Ed Diaz is having trouble breathing and a chest tube was inserted to remove air and fluid from his chest cavity. He has lost a lot of weight. He was transferred to Mission Hospital in Asheville, NC for specialist in cardio-pulmonary. He has scar tissue around his lung which further complicates his breathing. He had surgery to control the recurrence of fluid building up between his lung and heart.

- You or family member or friend may not be on this list but, we are all in need of prayer.** The pandemic and flu season has taken and continues to take its toll on many. Depression, homicides, suicides and gun violence are increasing as well as the impact of climate changes. Take time to check on your neighbors!

Directory Updates

Contact Nell Ard if you need a picture taken for our picture directory located in the foyer or need changes made to the directory printout provided for your reference. Complete the form provided on the back table and give it to Nell upon completion.

Please note that because the bulletin is uploaded to the website, we do not include details regarding home address and phone information for privacy reasons. It is most important that you make sure your information is current.

Cell Phone Donations

Woody Scaffie has requested that if you have any old cell phones you are willing to donate to the homeless shelter, he will make sure that all your personal data has been removed before giving it to the homeless shelter staff for one of the clients. **Please note the church has a basket in the back to help him.**

REACH of Cherokee and Graham County, Inc. is an outreach program for victims of domestic violence.

As the staff travel to the schools to discuss domestic violence, they have identified a need for children's shoes, underwear, and socks of varying sizes. They have also adopted some families to help as well. **Teens frequently request a fleece blanket.** If you have items of clothing (clean and in good condition), children's books, etc. to donate please place them in the blue bin located in the pantry. Check out the clearance section at Walmart next time you go shopping.

Stacy can always use some **small tote bags** and small travel size items to fill them with, e.g. travel size shampoo and conditioner, toothbrushes, toothpaste, travel size deodorant, hand sanitizer, etc.

Please contact the REACH office staff if you have furniture you want to donate to arrange pickup by the Thrift Store volunteers. They also ask for cooking utensils to help victims start over. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet. They also can use items to help with their self-esteem and pass the time until they can be placed in a safe environment. You can provide puzzles (500 pieces or less), adult coloring books, reading material, word puzzles, make -up, nail polish, hair clips, etc.

Volunteers and donors are always needed. Call the office at 828-

837-2097 or 828-837-8064 for more information. Local REACH covers Cherokee and Graham County.

Reach is leading our community in eliminating domestic violence and sexual assault through education, advocacy, self-empowerment, and community awareness.

FOOD BANK DONATIONS

We need your help to keep our pantry stocked. If no family, or individual has made a special request; then, Lula pulls items off the shelves and takes them to the Cherokee County Food Bank, Inc. in Andrews, NC. The food bank is open to the public on Tuesdays and Saturdays from 10-12.

Suggested items for April based on Lula's discussion with some of the female staff: they can always use feminine hygiene products and other personal hygiene items, e.g. toothpaste, toothbrushes, bars of soap, wipes, small bottles of shampoo, soups that can be heated over a small fire, small jars of peanut butter and items that do not require a stove for cooking. Most of the clients are homeless and/or senior citizens living on a fixed income, so they can use small bottles of laundry detergent and Clorox to wash their clothes. The food bank has a bakery that donates bread, and the local Walmart provides fresh produce.

You can also write a check payable to the Andrews Food Bank, P. O. Box 843, Andrews, NC 28901, and they will supplement items that are not being donated.

6:00 PM Wednesday Devotional

We have resumed 6:00 PM **evening devotional**. If you have a special request, please let Roy Stephenson know.

On Wednesday evening, April 30, we will begin a study on discipleship with the help of the book, "Turning Church Members into Disciple Makers." It will be a four-month study and we will discuss one chapter per week. This will not be a lecture, but a discussion of what we read in each chapter led by Roy Goodlet. Everyone will need a copy of the book. Here are different options on how to obtain one. Amazon sells it new for \$14.99, or you can get the Kindle version for \$2.99. College Press sells it new for \$11.99. You can get a used book on Ebay for about \$8.50.

A distorted view of God will keep your friends and family from hearing or accepting the gospel. This book reveals the eleven spiritual profiles found in the book of Acts, how to correct their particular distortion of God, and then how to share the good news. This book is divided into two sections: (1) God's Purpose for Every Christian and (2) Engaging My Neighborhood with Good News. The first section defines God's purpose for every believer. Turning members of the church into disciple makers begins with the member understanding and embracing his or

her new identity in Christ. Jesus said, "I will build my ekklesia (church)" (Matthew 16:18). Members are Christ's body, his "called out ones to be trained to do God's work." Christ empowers the members of his body with his Holy Spirit to expand his kingdom family by sharing the gospel. Those added to the ekklesia are to be equipped to make more disciples. We are to continue the process until Jesus returns. The second section moves the disciple makers into the neighborhoods to fulfill their purposes and make disciples within their circles of influence. Sharing the gospel message can be a little complicated. There's more to it than just telling somebody what the gospel is and how to respond. Each person has his or her own baggage— cultural, intellectual, and emotional barriers—that need to be removed before the simple gospel can take root in the heart.

Murphy Homeless Shelter Donations
