

SHEMITAH 32-39 AD OVERLAP

The purpose of this illustration is to correlate the presumed Shemitah during Jesus Christ's Ministry, being from the Fall of 32 AD to the Fall of 39 AD with that of the coming Sabbath Cycle or Shemitah from the Fall 2022 to the Fall of 2029. The Timeline presented in Chart Format will be predicated on the Notion that Jesus was born in -3 BC on the Feast of Trumpets. All this to say that given this Shemitah Overlapping Timeline, the aspect of the Shemitah or Sabbath Cycles of Time appear to Synchronize 'perfectly'. With the hype of the Teaching of the Shemitah, popularized by Jonathan Cahn, why one is considering this parallel or Shemitah Overlap is that the Shemitah that existed during Jesus' Ministry appears to correspond to the one that is to begin in the Fall of 2022. One is thus insinuating that the Fall 2022-Fall 2029 Sabbath Cycle would appear to be as it was for the Fall 32 AD-Fall 39 AD Shemitah. And given this Parameter, one will now point-out the various Features that constituted the Shemitah Cycle of Jesus' Day. From the beginning, this Overlap is predicated that 32 AD is the best Year Candidate for Jesus' Death, Burial and Resurrection along with the start of the Church Age. COSMOLOGY OF CHRIST'S LIFESPAN

SOLAR AND LUNAR ECLIPSE PATTERNS CORRESPONDING TO JESUS' LIFESPAN

The intent of this illustration is to present evidence to suggest that the Measure of all things created is indeed Christ Jesus as the Bible proclaims. He is the Measure of Man, the Earth, the Solar System, the Galaxy, and the Universe; all that is seen and unseen. The Bible states that He, Jesus Christ is the Creator, GOD the Son who made all things by Him and for Him, invisible and visible. Thus this illustration suggests that even Christ's Lifespan is proportioned to that of the Divine Man proportions in phi ratio relationship to key events during Jesus' Lifespan on Earth. As it pertains to Jesus' Lifespan, it is not just some random time lived out to an arbitrary Age or Martyrdom. It is a facsimile or copy of the Divine Blueprint of YHVH's 'FORM' in Heaven that is proportioned to the Human Form, that of a Body. Or one should say the divine 'GOD' Body of which the Human Form or Body is patterned after. It is none other than that which is patterned after Christ, the truly divine visible portion of the GOD-Head that put on Flesh and Blood, 'and the LOGOS became Flesh'. It was because of Christ's Incarnation and Bodily Resurrection as the First Fruits of His Kind, that He is the only Human in true Human Proportions, as a Man that is in Heaven currently in the Flesh, in a Glorified Body. Jesus promised His Followers that they too will likewise have a Glorified Body at the point of the Resurrection and Rapture of His Bride, the True Church. This study suggests that such proportions are a Reflection of YHVH's Glory that is also seen of Earth, the Human Body itself, the layout of Jerusalem with the Pattern to its Gates, the Tabernacle, the Temple Mount, the Temple, and His Bride etc. Based on these amazing correspondences of Measurement and Proportion, it appears that such models presented in this study are but a true reflection of the Divine Form found in Jesus Christ's Lifespan approximates the proportion to His Body. Moreover there exists an accompanying mystery that is related to His Church that is being built as Eve was to Adam to compliment this Body. It is a mystery as is His Hypostatic Union that combines the true Essence of GOD and Man in one Body. The Bible refers to His Bride that He is currently nearing completion as His 'Body' composed of individual 'Living Stones', which are fellow Believers in Jesus. This model of the Divine Proportions of Christ's Body can also be correlated to the history and stages of the Church Age.

MINISTRY OF THE MESSIAH

The purpose of this illustration is to demonstrate the possible timeline of the last 3.5 years of Jesus Christ's Ministry. It will present an alternative view of the Timing historical held. leading up to the Crucifixion. This Timeline argues that the Day Jesus Died corresponded to a Total Lunar Eclipse or Blood Moon on Passover, near Midnight, Local Time. One also contends that an Extraordinary Solar Eclipse also occurred on this Passover, April 14, 32 AD. The supposition is that if Jesus was baptized at the end of summer on Elul 1, that would have started the 40 Days of Testing in the Wilderness. The timeframe would have concluded on Yom Kippur where Jesus was given the Scroll of Isaiah and He read the 1st part of chapter 61. It is from this time, if one adds, exactly 1300 Days, as in 13, the Number of Man's Rebellion, it equal to April 14, 32 AD.

Another point of interest is that based on the research of John Charles Webb, a hexagram planetary alignment occurred during this time that presumes a commemoration of the Baptism of Christ just before a Passover and just before His 30th birthday.

THE TEMPLE'S TIME-FRAME

The purpose of this chart is to present several points of interest that gives credence to the anticipated construction of the 3rd Temple. Of particular interest is that a timeline of the solar and lunar eclipse patterns will be displayed leading up to the destruction of the 2nd Temple in 70 AD. Given such astronomical and mathematical analysis of the timeframe, perhaps such patterns might reveal some possible time references directly related to when the edification of the 3rd Temple is to take place. Pentecost was the last Feast of the LORD celebrated by national Israel in 70 AD. By some calculations, it was at Pentecost during the 6 Day War of 1967 that the very Temple Mount was liberated from the Muslim occupation. National Israel forsook the righteousness of the LORD in His commandments and thus the national Devine Protection was removed. This was in the case of the 1st Temple's destruction and Diaspora on the 9th of Av to Babylon that lasted 70 years. According to Christian theology, the 2nd national judgment of Israel by the LORD at the hands of the Romans was a direct result of having rejected Jesus Christ as the long-awaited Messia-h of Israel. The nation was blind-sided in not being able to see and reconcile the concept of the Son of Joseph (the Servant-Lamb) with the Son of David (the Lion-King) typology of the Messiah

THE GOLDEN RATIO

The geometric 'spiral' is said to be the 'Signature of the Creator'. It is a mathematical relationship found in nature, the arts and the Human Form.

It is when 2 quantities are in the golden ratio if the ratio of the sum of the quantities to the larger quantity is equal to the ratio of the larger quantity to the smaller one.

The last national Feast of YHVH for Israel was Pentecost. 1949 was the 1st year national Israel celebrated Passover in the Land after declaring independence in 1948 on the eve of Pentecost. A summation of 70 years from that date mirrored from 70 AD would result in the year 2018.

From the start of the Blood Moon Dyad in 65 AD to the end of the Partial Solar Eclipse squares off with the month of the Temples' destruction in August of 70 AD.

Based on the astronomical eclipse and phi ratio patterns of when the 2nd Temple was destroyed in 70 AD on the 9th of Av, perhaps such a similar pattern might be occurring that will dictate the rebuilding of the 3rd Temple in this generation. Many believe the Tetrads of 2014-15 had and still has a direct link to this prognostication of Biblical proportions. If the time-frame of approximately 7 years is considered from the start of the Tetrads to the beginning of the 3rd Blood Moon cluster of 2022, the phi ratio would pinpoint the month that is extremely significant to the 3rd Temple's timing. Specifically this pinpoint corresponds to the Passover of 2018. The 'Temple Zone' encompasses the time from 5777-5778. All the Blood Moons are in mathematical proportions to each other and in cycles of 7. Does this 7 year pattern confirm the duration of the Tribulation period that is to come in its entirety?
