SWIM POOL UPDATE

As you may have heard, the Council had unanimously decided to not open for the 2024 Season during the March 14th's meeting. It was a very tough decision to make.

All councilmembers met Maintenance Supervisor Krohn at the pool to see how hard the Winter was on it. The Council had met after 2023 Season knowing there were repairs needed, however more has happened and due to the state it's in now, there's not a solution to make it safe for staff and patrons to swim this season.

Council plans to brainstorm and discuss the Pool in the upcoming meetings. If you have questions or concerns please join us for our meeting on April 11th @ 6:30 PM- Community Center.
