Good day,

Your enrolment request has been approved in the [DLI portal](#). Your DLI number is **O262228554872**. You can now start issuing [Letters of Acceptance](#) (LOAs) to international students, with the DLI number directly displayed. As the primary user, you are also now able to add secondary users to the DLI Portal. Both primary and secondary users can contact IRCC on behalf of the DLI with questions, and can complete compliance reports during reporting periods (for more information, see [the DLI Portal guide](#):).

Your DLI information will be posted in the [DLI list](#) on IRCC's website in the coming days, as seen in the table below:

Name of Institution	Designated Learning Institution number (DLI #)	City	Campus	Offers PGWP-eligible programs
CCEC Canadian Career Education College Ltd	O262228554872	Vaughn		No

Note: Your DLI number begins with the letter O, not the number 0.

The next reporting period will begin on **November 1, 2019**. If you have international students at that time, you will be required to submit a compliance report to IRCC. Please review the [Compliance Reporting Guide for Designated Learning Institutions](#). This guide provides step-by-step instructions for Designated Learning Institutions to complete Compliance Reporting including a [glossary](#) of definitions for all student statuses.

If you have any questions and/or concerns please do not hesitate to contact IRCC via this email address IRCC.IPGDLIlist@ic.gc.ca.
