

Welcome to Down Under Kennels

Welcome! We're so glad you chose Down Under Kennels to care for your dog. Our goal is to provide a safe, comfortable, and low-stress environment where your dog feels right at home while you're away. We take pride in offering personalized, hands-on care so you can have peace of mind knowing your pet is in good hands.

Things to Remember

- Bring your dog's food labeled with your dog's name (or let us know if you'd like us to provide it)
- Medications (clearly labeled with instructions)
- A bed or blanket (washable)
- A couple of toys (nothing irreplaceable)
- Vaccination records (if not already provided)

Most Important

Please bring your dog on a leash when arriving. This helps keep everyone safe and ensures a smooth drop-off process.

A Quick Heads-Up

We're currently working on finishing up our official office space, so you might be greeted in our kitchen for paperwork when you arrive. It's a little less "front desk" and a little more "home base"—but we promise it's all part of the charm (and the dogs don't mind one bit). Thanks for rolling with us during this exciting upgrade!

We look forward to caring for your dog and making their stay a happy and comfortable experience!

When You Arrive

Please come to the front porch door (red arrow!). Feel free to park anywhere that's convenient—even if that means parking behind another car. We're pretty flexible around here!

Where Your Pet Will Stay

Each dog stays in their own private indoor space with access to a covered outdoor area, so they can move between cozy rest time and fresh air whenever they'd like. Our setup is designed to keep dogs safe, comfortable, and relaxed during their stay.
