He offered Deputy Wetzel to come and sit in his driveway to monitor the traffic. Speed limit signs will not go up for it is known that the speed limit is 55 on all roads unless otherwise posted.

Scott Rd update Supervisor Thelen stated he had received a lot of positive feedback on the closing of Colony Road at US 27 and black topping Scott from Kinley to M 21. Larry Kus spoke on the hardship to him as a farmer and not having access to his fields off from Colony. Supervisor Thelen suggested that there could be a tube put in the ditch to make use of the lane. The cost would be to Larry Kus, but was suggested that possibly other farmers could go in on the cost of the tube if they had access to the lane.
