

David's Story

Distributed by Mu Nu Ministries

The Lord Is my Shepherd

He supplies all my needs.

He leads me to green pastures

and quiet waters

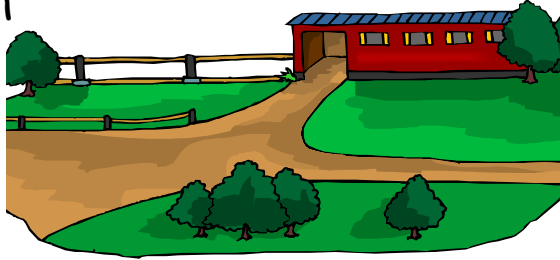

- a lovely healthy place.

I feel happy again.

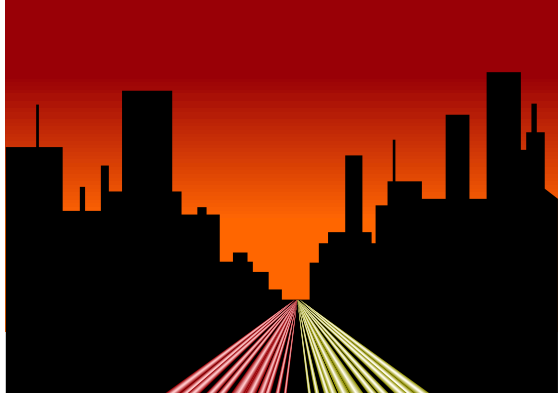

He guides me to keep me on the
right path

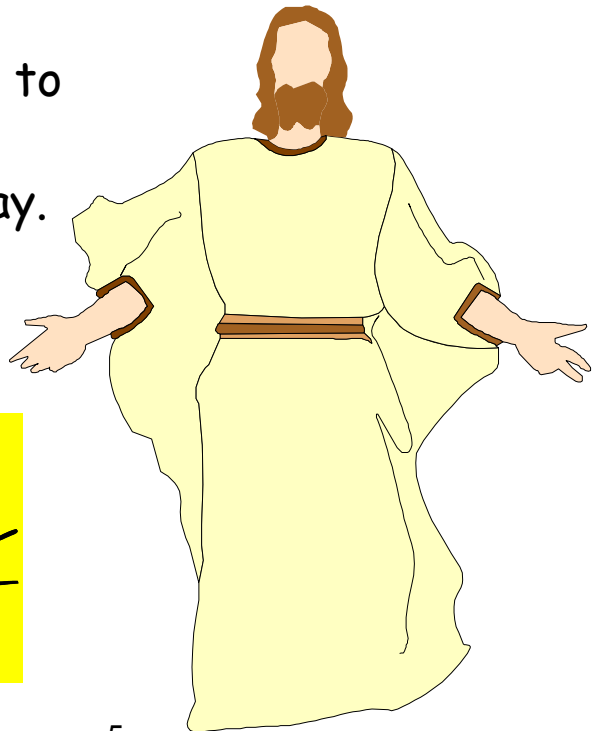

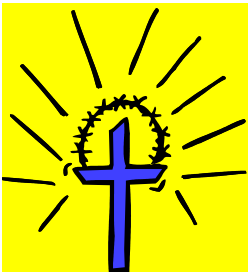

so I do things His way.

Even when the road of life is bad
and dark

He is there to
light the way.

He warns or rescues me with His
rod and staff,

He prepares good things for me,

while my enemies watch,

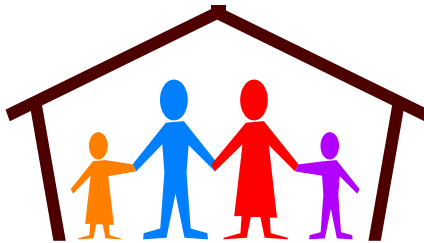

and pours blessings on me till I
am full.

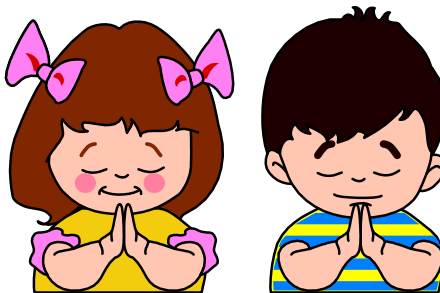

I know His goodness and His love
will follow me all the
days of my life.

I will live with Him for ever.

Like David, you can ask Jesus to
be with you always, right now.
