**SARAH RAS****ADVANCED ART**

**Time: 4th & 5th Periods,  
1:30pm- 3pm & 3pm- 4:30pm**

**Description:**

This course is open to 6th-12th graders, as any project can be modified depending on experience. I plan to focus on pushing students' creativity, while developing technique. Some projects will be more instructor-led, but the majority of the time, I will encourage students to develop individualized pieces in which they can really "get into" their own ideas while we work on technique. We will be working with a variety of media; clay will also be available for students who are interested.

**Class Fees and Payment Options:**

Annual materials fee \$50 (*except for Mixed Media which is \$75*)  
Monthly fee: \$50
