

CENTRAL HIGH SCHOOL ALUMNI ASSOCIATION PROVIDENCE

Dear Central High School Alumni Association Member:

The Annual Scholarship Appeal for 2021/2022 is now underway and we are soliciting you, our Alumni Members, to once again show your support. Your generous donation to this year's appeal would be greatly appreciated.

The continued generosity of our membership made it possible for the Alumni Association to award one thousand-dollar scholarships to four members of the 2020 Central High graduating class who met requirements of our Scholarship Program. The Scholarships were presented to the recipients during the Senior Awards Ceremony. Now going on five years, CHSAAP has awarded over 20 scholarships to a graduating senior.

Did you know that 88% of Central High School students are economically disadvantaged and that 70% of the seniors actually graduate from high school. In June of 2021, 245 students graduated; of the 245 students half went on to attend college. For the first time in several years, the 2021 graduating seniors' class had the highest GPA of any class in the last 5 years. Let's show the students we are all Knights forever and help them on their path to success.

This year our membership has risen to almost 300 members, so it is our goal to increase the number of awards given and hopefully the dollar amount awarded. This can only happen with your support. Any member donating \$1000 or more can have a Named Scholarship in their name or whomever they choose to honor. Please check off your level of giving on the attached contribution form and return it in the self-addressed enclosed envelope along with your check or money order made payable to: CHSAAP Scholarship Fund. We are a 501-C3 non-profit organization; therefore, all Scholarship Fund Donations are fully tax deductible.

For the graduating Class of 2022, the Scholarship recipients will once again be introduced and presented their awards during the Central High School Senior Awards Ceremony. We are looking forward to another successful year for the Central High School Alumni Association Providence and we thank you in advance for your support of our young association. We look forward to ever increasing growth and effectiveness.

This is currently \$1,000.00; however, this amount may change as determined by the Alumni Association. The donor may also specify certain restrictions for an award such as study discipline, financial need, community participation, etc. as long as it falls within the parameters of the Scholarship program; if desired, specify below.
