SPEAK is a mostly-annual educational conference proudly co-sponsored by Kentucky's speech and debate organizations: the Kentucky High School Speech League (KHSSL), the Kentucky Catholic Forensic League (KCFL), the Wilson Wyatt Debate League (WWDL), the Kentucky Educational Speech and Drama Association (KESDA), and the Kentucky District of the National Speech and Debate Association (KYNSDA).

Conference Goal – to promote and enhance communication education in the Commonwealth. We also have fun and give out door prizes and talk and listen and learn and share. Come SPEAK with us!
