*We are a private company and do not allow Driver Education Instructors not affiliated with Accurate Driving LLC to utilize our classroom to promote their business. You may pay separately for the Classroom and Behind the Wheel (BTW) training, but we do not allow the use of an outside instructor for the BTW training.

If your teen has completed the Classroom at another driving school you may sign them up for BTW ONLY with Accurate Driving LLC, provided the classroom they attended was at least six weeks long. The six week classroom does not apply to students who complete the Classroom at Mid Pacific Institute, that class is a part of the Accurate Driving LLC program.
