

FIRST ANNUAL GALA & GOLF PINWHEELS For ALLY

We are excited to announce that the "First Annual Pinwheels for Ally Gala & Golf" event will be Saturday, October 7 and Sunday, October 8, 2017. This inaugural event is in memory of Ally Eilert, who battled leukemia in 2015. Her family and friends have come together to raise funds to help others in the fight. The proceeds from this event will go to the Love, Chloe Foundation.

Ally was just three years old when she was diagnosed with leukemia. Ally could always light up any room with her bright personality, big bows, and her great sense of style. Although her battle with leukemia only lasted six weeks, Ally's impact on those around her still continues. During her fight, she was always thinking of others and told her family that it was important that "friends help friends". This has become the driving force behind her family to move forward and help others in Ally's honor.

The Love, Chloe Foundation was founded in 2008 in memory of Chloe Feyerherm. Chloe battled DIPG from November 2006 to October 2007. She was just six years old when she was diagnosed and only seven when she earned her angel wings. The Love, Chloe Foundation now works to raise money to assist area families that have a child battling cancer. Chloe's love of monkeys also inspired her family to start a program to help children during their time away from school due to cancer treatments. This program, Monkey In My Chair, is now benefiting children all over the world. The foundation also helps to fund groundbreaking research in order to find a cure for our children.

This event will include a Gala on Saturday evening at the Salina Country Club and then golf on Sunday morning at the Salina Municipal Golf Course. We invite you to support this event as a sponsor. There are many sponsor levels and we hope that you will be able to join us in making this event a huge success. Let's do this for Ally, Chloe and all of the other children who have/and are battling this terrible disease.

Sincerely,

Pinwheels for Ally
