

~ The Return of the Divine Feminine ~

As the world is Awakening to the greater Knowledge and Wisdom of Light, it is in the wonderment of Life itself, that we may be **Released** from bondage of lower elemental forces that have held us for so long. We have gathered to help align the earth plane away from negative karma, and its exterior pain of old experiences.

As the **Divine Feminine Energy** is **Returning** in this **Awakening**, it will inherit a greater Trust as **Truths** are **Revealed**.

As Co-Creators, we are **Weaving a Web of Wonderment** into **Mother Earth** for **Her** Healing. As the world is Maturing and Evolving, it is the **Divine Feminine Spark** of Illuminated Love and Light that brings forth our Remembrance of the **Sophia-Consciousness**, as an Aspect of **Pureness and Peace**.

The Return of the Divine Feminine is within **Everything**. Its Living Light streamlines and defines those willing to Receive. Even to those opposed, there is a Light from within as an original light Seed, that shall never die. It is up to the entity to reveal this **Feminine** quality as a **Quintessential** attribute to thyself.

**As old cycles of past are Released,
the Return of the Divine Feminine is Increased.**

Understanding the concept of the **Sophia-Consciousness** is to redevelop an understanding of the **Feminine Divine** Aspect. The Sophia-Consciousness has morphed herself into this planet and is a Motherly foundation, as the **Womb** to hold and cradle the infants she births. She has Never left the Infants to fend for themselves, they simply live life as a choice of Free Will. And all the while, she has Remained grounded and anchored to this planet to hold and support All her children, nature and the living elements of Life.

Within the Sophia-Consciousness is a Unity of the **Divine Feminine** coupled in complete balance with the **Divine Masculine**. **The Return of the Sacred Feminine**

is to bring **Wholeness to Division**, and to **Restore** and **Balance** this Earth Plane as from the Beginning, to the Eternal and Everlasting Light of Love.

Each one of us is being called individually and Co-Collectively to Expand our Energy and bring forth our Internal Light. This Light will begin to Illuminate the Shadows of Darkened past. As this Light becomes stronger, we are able to see the ongoing disconnections, disorganization and the disillusioned processes being portrayed.

In this New Beginning from a once hidden history, one shall now be shown the Truths that shall set one **Free** as a **Vessel of Victory**.

~ **The Sacred-Feminine is a Divine Presence of Her Essence** ~

The **Feminine** is a Source Connection and an Energy Field of Pure Love. The **Feminine** is supported by the **Masculine**, anchoring her Frequency into the Creation and Embodiment of Mother Earth.

In this **Return of the Divine Feminine**, we are an **Expression of Love and a Living-Light-Energy-Experience**. We are Remembering and Knowing that this is what we have been waiting for since the very beginning of time, as the **Arrival of Our Oneness**.

In this **Age of Enlightenment**, it is the Feminine Mother who shows us this **Peaceful State of Being** within ourselves, as to '**Caretake**' and Honor our Embodiment in its Fullest Aspect.

She Intertwines her Golden Frequency within the Fabrics of all life. She flows through all, and regardless of gender, color or creed, she lives within as a source of soulful sovereignty.

We are in the **State of Christed-Consciousness** to Understand and Discern the **Principles of Peace**, as the **Energy of the Divine Presence Rises** within. Male, Female, Animal and Living are in the Divine Makeup from which they are born of the original Seed.

This **Seed is Sacred**, Blessed and Infinite to the Energy that it is Derived from ~ Source.

As we are the **Caretakers** of this **Sacred Seed** we are to Nurture it, Provide Self Love, Honor and Respect this Seed, as it becomes the Integrity, Intelligence and Growth of the **Divine Rose** in the **Return to Equality from Division**.

The **Great Mother of this Universe** asks Each of us to partake in the **Planning of this Prelude-of-Peace**.

Each who Know, will **Grow this Golden Garden** starting with the **New Seeds of Living Light**.

The Return of the Divine Feminine is ~

Balance, Peace, Oneness, Equality, Fortification, Neutrality and a Seeding of the New Embodiment in this golden age of our new earth. Along with unconditional Love, Compassion, Mercy, Nurturing and Services to that of others.

The Sacred Divine Feminine produces feelings of gentleness, kindness, forgiveness, tenderness, and a great love of nature and all that is. One becomes empowered with strengths through the **Key of Humility** and **Balance**. There is a magnetic force drawn from the Source, that will alter the Conscious Being to hear, feel, see and have a greater awareness of their abilities.

The Sacred Divine Feminine awakens the **Intuition** in the adaptation to the Empowerment of the Divine Self.

This **Divine Intuition** is in **Constant Connectivity** to the **Divine Feminine** and the **Divine Masculine** abilities as they assimilate within the Embodiment's System. It is vital to the human makeup to awaken the **Divine Feminine Energy** to the **Divine Masculine Energy**, as to achieve Equality in the Unison of **Divine Oneness**.

In accordance to the **Divine Self**, the Embodiment is Harmonized and begins to rise into the **5th Dimensional Divine Deity**, from the **3rd Dimensional Division of Deeds**.

It takes **Lifetimes to Achieve** and Receive the **Ability to Access** this **Light Dress of Illumination**. This isn't something that 'just happens overnight'.

We are the **13 Codes of the Divine Feminine** ~ Coupled as Equal with the **11 Codes of Divine Masculine**.

The Sacred Divine Feminine is Abridged, Crystalized and an Illuminous Light Body of the **I Am Presence of Purity**.

The Earth is in an upward **Spiral** and Is Exiting the Old Planes of Existence, as the **Essence** of the **Divine Feminine** Rises.

And So, it Is

OM Shanti
