

The Book Club - February 14, 2019

(An exuberant subsidiary of YUMC's Saints Alive!)

Meeting on the second Thursday of each month

The Reluctant Farmer of Whimsey Hill

is a light-hearted, true love story between more than a man and a woman. Imagine *Marley and Me*, not with one pesky dog, but with a farm full of quirky animals. The narrative follows Brad's fish-out-of-water point of view as a 25-year-old, animal-phobic, computer nerd from the city who moves to a rural, Virginia farm with his new, animal-loving bride. There he's propelled on a journey of self-discovery as his bride's crazy animals teach him about life and love - the hard way.

We will be meeting at **Strings Italian Café** (322 W. Miner St.) at **4:30 p.m.**

for discussion, libations and light comestibles.
