Attention: Conrad Lewis, Benefit Fund director

Dear Mr. Lewis,

This letter is to respond to your letter of February 19, 2018.

As communicated on several occasions to both Gary Prisner, the former Benefit Fund Director and Kim Olsen, the former President of United Fishermen and Allied Workers Union/Unifor, Canadian Fishing Company has no contractual obligation to contribute to the United Fishermen's Benefit Fund as there is no collective agreement in force in either the salmon or herring fisheries.

Canadian Fishing Company will not be making a contribution to the Fund for the 2017 herring and salmon seasons.

Yours very truly,

Rob Morley
Vice President
Production and Corporate Development
