“Can you help us get our freedom back?”

The Kairos Palestine Document: “A Moment of Truth”

The Christian community in Palestine has reached out to the global church, asking us to join in their struggle for liberation.

The Apartheid-Free Communities movement, which was co-founded by United Methodists, calls on faith communities, unions, universities, businesses, cities, and other communities and organizations to become **Apartheid-Free**.

When your community takes the pledge, you:

- Publicly acknowledge Israel’s apartheid regime.
- Commit to take action in a way that fits your context.
- Join the Apartheid-Free Communities network that shares resources, opportunities for action, and support.

THE PLEDGE

WE AFFIRM our commitment to freedom, justice, and equality for the Palestinian people and all people;

WE OPPOSE all forms of racism, bigotry, discrimination, and oppression;

WE DECLARE ourselves an Apartheid-Free community, and to that end;

WE PLEDGE to join others in working to end all support to Israel’s Apartheid regime, settler colonialism, and military occupation.
