Letter from the President

We have a lot of activities going on this fall and I hope you are taking part in them! The are coordinated by the CNRE for the NRE like the Dumpster Program, Fall Festival, and the Community Meeting.

Finally the weather is beginning to change and we are exiting out of the 100 degree weather. We all still need a lot of rain for our properties and home foundations. If you see any cracks in your brick or inside, don't procrastinate getting a foundation company to come give you an expert opinion.

Jon Puryear, CNRE President
