## “THE FORD MEN IN EARLY 21ST CENTURY”

---

### “2024 Primitive Baptist Church Convention”

Dear Ford Men:

I registered the “Sons of Charley and Mary Ford- Men’s Ministry: Queen Chapel Primitive Baptist Church”

Although you all were unable to attend this wonderful, spirit-filled Christian gathering, I *not only* represented you there, but I also *kept you all uplifted in SINCERE and SPIRIT-FILLED prayer.*

One or two of the Brothers, including the President of NPBC asked me about my “origins” and my “home church,” and I plainly explained that I was there to represent a men’s Christian ministry group from my great-grand mother’s church, Queen Chapel Primitive Baptist Church!

When Elder Kenneth Duke, who is President of the NPBC asked me “where I was I baptized?” I tacitly informed him: “A.M.E” LOL!!!

But that, as I have matured, and after much prayer and theological research at Whitefield Theologica Seminary, that the Good LORD has brought be back, “full circle,” to my “Primitive Baptist roots.”

FORD BROTHERS: I had a wonderful time! The workshops were informative, fun, and cordial.

The people were down-to-earth, and very nice folks—many of them from Tennessee, North Carolina, Alabama, Georgia, Florida, etc.

The “**Black Puritans, USA, Inc.**” is a broader **Primitive Baptist Church** ministry of mine, and it is connected with **The K.I.N.G. Movement** national Christian ministry, see the following link: [The K.I.N.G. Movement - Home Page \(kingmovement.com\)](http://kingmovement.com).

I will post up-dates on activities regarding all of these groups and platforms this Facebook Platform from time to time, and I invite you to do likewise.

Goodspeed to each you, Ford Brothers!

kindest Regards!
