Dear Mrs. Olson:

Your son Dr. Maynard Olson gave me the bottle of Rabbit Ridge Zinfandel that you sent me.

The wine was certainly well made. The style and character very much reminds me of the wine my father used to make in our cellar during Prohibition -- good color, full bodied, great flavor, and yet soft.

Thank you.

I am shipping you a case of Gallo Sonoma Zinfandel, which you can use as a benchmark to measure how good the Rabbit Ridge really is.

All the best,

Ernest Gallo
