An updated sheet of coupons is included, please keep this template and make copies as needed!

Rate Schedule

1st 1,000 gallons \$30.00

Next 100M at \$6.00 per M

\$3.00 per M after that

Road Maintenance \$15.00

Late Fee \$10.00

Water Usage Calculation Example

Gallons Used: 5600

Base rate for 1st 1000 gallons \$30.00

Overage Calculation: $5600 - 1000 = 4600$

$(4600/1000) * \$6.00 = \27.60

Total due for water: $\$30.00 + \$27.60 = \mathbf{\$57.60}$
