# November Play Chosen - Students Needed

## Greetings Families,

Mr. Beversdorf and I are excited to tell parents and families that we have chosen a funny comedy for the high school students to perform for this year's play. We are asking students to sign up this week for parts, and other play jobs. After school rehearsals begin the week of October 25th. There are only 6 parts - 3 women and 3 men - in the play! See below for a description of the play. It is set to be performed on November 4, 5, & 6. Please encourage your child to participate in this exciting activity for the school! See below for a description of the play.

This past weekend it was exciting to see all the young students play volleyball for our Lutheran and Catholic schools. Everyone did a great job! I love having future students in our school. Our school is amazing, and to have others come and see what we are is awesome!!!

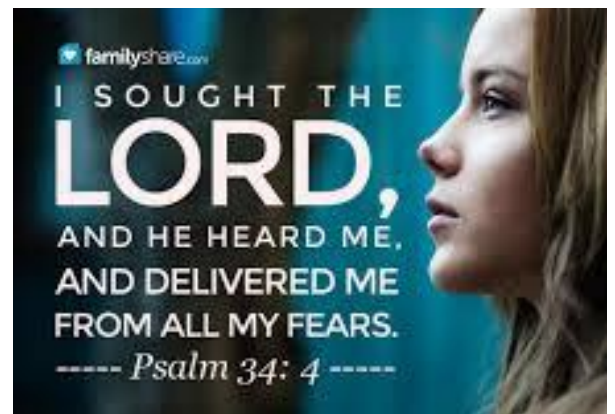

This weekend is homecoming! Have you reached out to our alumni? We are inviting the alumni to our home volleyball game and the bonfire Friday night. Please share our facebook post so more people can make plans to attend.

Have a wonderful week in the Lord!

Blessings,

Mrs. K.

**VERSE FOR TODAY:** Have you sought the LORD lately? Many of us made a commitment to turn all of our lives over to him last week; how have you done that commitment? God promises wisdom to those who ask and don't doubt. Have you asked for wisdom recently? Let's join our hearts together, and with the Spirit's help, let's seek our Father so that we can honor and glorify him, finding our blessing in his presence.

**Let Him Sleep 'til It's Time for His Funeral**- In this funny comedy, everything goes from bad to awful. John is anxious about turning 50 and having done nothing with his life. His loving wife, Marianne, decides to show him he's wrong by hosting a surprise funeral instead of a birthday party. Sounds strange, but her intentions are good -- she wants him to know how much he's loved. It's to be a fantastic surprise party for guests, relatives, the undertaker, and most of all, John. But there's a mixup. John catches wind of Marianne's plans for the funeral and assumes she's planning to murder him. He purchases a plane ticket to Mexico to escape. When Marianne finds the plane ticket, she thinks John is leaving her! Their teenage daughter and the neighbors all have other wackier ideas. This delightful mess is amazingly resolved in a hurricane of hilarity.
