### ONE BEARD TO RULE THEM ALL!

In my time as President of the DDA, I have learned a number of things. First and most sensibly, that free beer draws a crowd.

But seriously, I have discovered something that I think I knew all along - darters are basically good people. Bring up an idea and half of them will love it, and half of them will hate it. But unlike the current political and social media driven atmosphere in the US, darters can argue and express opinions - *and sometimes even compromise* - over all sorts of issues without resorting to fighting or (too much) name calling. Sportsmanship seems to outweigh the petty issues that arise from time to time with competition and alcohol.

That's not to say that sportsmanship just naturally occurs - no, we all have to remember to reinforce it every time we head out to play. It's an important part of our organization, and one that we should work at keeping above our disagreements.

Also - All\*Star qualifiers are starting and you need to try out more than once - the scores are always improving and you don't want to get bumped off because an opportunity got past you before you noticed. We always need dedicated throwers in Columbus and this year we are trying to organize some pre-event practices so that we continue to throw as a solid team.

Thanks to all our members and have a great fall season,

## Randy Wright

A lifetime of Service to Darts

What can you say about a guy who spent 14 years as the DDA Vice President?

For those of you who have been on the board, you know that position is the one that takes the most time and effort with the least glory. Randy did all that and then

went beyond the requirements of the position by helping at every DDA event, assisting the treasurer with payments and throwing 3 nights a week in addition! Randy has been a workhorse for the organization and we are all the better for it. **Congratulations & Thanks!**

Michele

If there's delicious food at any DDA event, you can bet Michele was the cause! Make sure to tell her thanks and use the tip jar!

## In-House Steel Tip Women's League Tuesdays at Kings Point

**Ladies** - there are lots of male darters around, but what we really need is to build up the pool of female darters! So we've created a league to give the female darters in the Dayton area a comfortable avenue to build skills and confidence in their steel tip game as well as foster comradery.

The idea for this league is to get at least 6 to 16 women to meet at Kings Point in Kettering every Tuesday, and the number who show will determine if we play singles or doubles that evening. You do NOT have to be a DDA member for this league, but if you do want to join, you're more than welcome!

**Kathy Lewis**

The league will be playing 301, 501 and Cricket and the scoring will be on a 16 point scale. At the end of the league, the players with the most points will win 1st, 2nd, and 3rd place. Since the league does not require DDA membership, a 50/50 raffle will be held every Tuesday to fund the awards.

Please contact Kathy Lewis (937-829-5597) if you are interested in the league or need any more information.

Let's build up our ranks (and have a lot of fun too)!

**Veterans or New Players - Soft tip or Steel  
All Ladies Welcome!**

# Meet the Owners!

The new owner of the Dart Train is NOT new to darts! Before his dad Ken helped him enter his first tournament at 10 years old, he took little Dave along while he practiced or stop at the train caboos. So Dave grew up with a practice board in the garage, watching matches, and occasionally hanging out at the the Dart Train with Linda Jackson, JJ's wife.

By the time he graduated from Northridge, Dave was throwing both steel and soft tip darts. His job as an international service technician kept him travelling for several years after that, and then in the early 2000's, he moved to Memphis for a few years. He married his long time partner, Michelle, in 2001. When he returned, he joined his first DDA league and threw for Lanes and Fairways in Huber Heights in 2007-08.

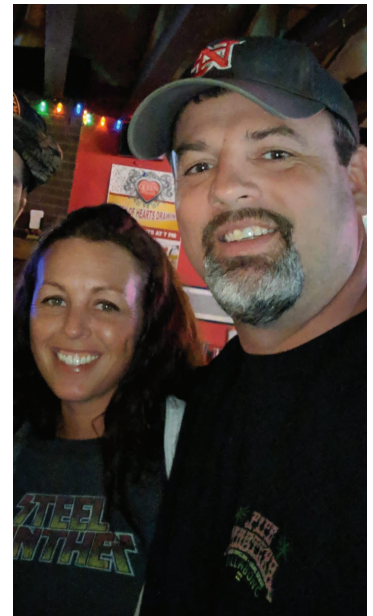

At an annual holiday get together, Paul Cooper told him about an interesting discussion with JJ Jackson, the owner of the Dart Train. He was thinking of selling the business and was looking for someone interested in keeping the tradition alive.

After some serious discussions his wife Michelle, they decided to take the plunge and buy the business. Today, the Dart Train is the place to go for all things "darts" – and is open every day of the week except Sunday. You can try out new darts, get a look at the latest boards or supplies and stock up on flights, tips and any other dart-related items. The shop also does re-tipping and modifications and Ronnie Jacobs is often working there to offer some expert equipment advice and lessons on throwing properly.

Dave and Michelle support the DDA in many ways and throw several nights a week in both steel and soft tip leagues. Stop in, get some supplies and enjoy talking with Dave - he enjoys if you stay and talk a bit while you're restocking.

"I love the game of darts and I really love when customers come in to talk...  
...even more when they come back!"

**Dave & Michelle Holmes**
