This Month at Preschool

Although February has only just arrived, it is shaping up to be a busy month at preschool. Our students are currently focused on Valentine's Day, with pink playdough to shape and a multitude of hearts to paint, glue and colour. Our Valentine's discoveries will conclude with the much anticipated card exchanges. Afterwards, our students will turn their attention to exploring the world of transportation.

Valentine's Day at Preschool

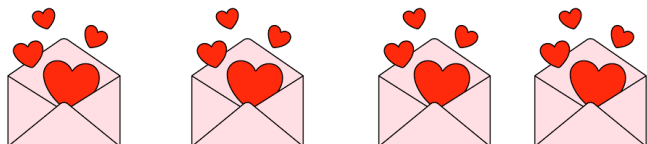

Valentine's Day is fast approaching, and it provides a fun opportunity for students to exchange Valentine's cards with their classmates. The children will be exchanging Valentines cards on the following dates:

**Tuesday Feb 13 (for the 3 year old class)
=12 students**

**Wednesday Feb 14 (for the 4 year old class)
=16 students**

PLEASE SEND ENOUGH VALENTINES FOR EACH CHILD IN THE CLASS. DO NOT ADDRESS THE CARDS, SIMPLY PUT YOUR CHILD'S NAME AS THE SENDER. THIS MAKES IT MUCH EASIER FOR THE CHILDREN TO DELIVER THEIR VALENTINES.

NO FOOD TREATS ARE PERMITTED DUE TO SEVERE ALLERGIES IN THE CLASSES.

UPCOMING HOLIDAYS AND IMPORTANT DATES

Feb 15,16,19th: NO SCHOOL

Mar 20th: Last day of school before break

April 2nd: First day back

April 19th: NO SCHOOL

Reminders:

- Please be on time to pick up your child from preschool. This time is unpaid for our teachers. Also, it can be disappointing for a child to see all of their friends get pick-up before they are.
- Thank you for continuing to respect the preschool's peanut free policy by not sending any food to preschool with your child.
- Continue to provide/dress your child with winter clothing; mittens, snowsuit, hat, boots etc

!! ILLNESS REMINDER !!

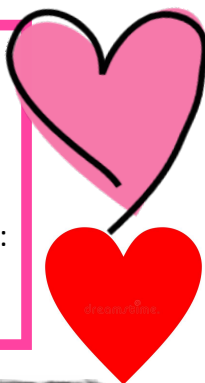

Please keep unwell children at home. If your child has a runny or stuffy nose, or a cough, or sore throat, or fever, or GI upset, and they arrive for class, the Teacher is required to keep the child out of the classroom, and call the family to return to take the child back home.

Learning Through Play

This month your children are having fun exploring the sand table at preschool as well as learning about Valentine's Day and transportation.

Digging for treasure holds great excitement, but did you also know that playing with sand also helps children to:

Learn about the properties of sand and water by feeling, patting, shaping, digging and lots more
Strengthen their muscles as they move the sand around

Work together with others on special projects like digging holes or trenches or making mountains.

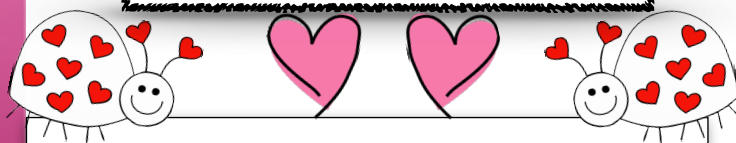

Be creative
