Biography

In loving memory of Jane (Hunny) Skurya (nee Figurski) March 25, 1929 - March 10, 2025 With love and gratitude, we celebrate the life of Jane (Hunny) Skurya (nee Figurski), a woman whose heart knew no bounds. To those who knew her, she was an angel on earth - always giving, always caring, always making sure no one left her home hungry. She was generous beyond measure and would give her last dime to help someone in need. Now, she takes her place as a guardian angel in heaven, reunited with her beloved husband, Andrew Skurya, who passed just five weeks before her. Their nearly 75 years of marriage were filled with love, laughter, and countless dances - especially the polka, their favorite. Family was everything to Hunny. Though she never had much in material wealth, her home overflowed with warmth, love, and a table always full of food for anyone who walked through her door. Her greatest joy was in the love she shared with her family: We extend heartfelt thanks to everyone at Huron County Medical Care, who provided loving and wonderful care to both of our parents throughout their stay. Jane's legacy is one of love, generosity, and family. As we say good bye, we carry forward her spirit... gathering together, sharing meals, and of course, dancing when the music calls.
