Ship Gate Yard Intermodal Warehouse

Email Messages Text Messages Lists

ILA Local 1422
ILA Local 1771

Users
Employees

Employers with 10 or more employees provided with access HW SMS Communication feature.

Job Codes for each ILA Local reflect the most current rates and fringe benefits from latest ILA/USMX District Agreement.

SEE PAGE 2 OCC CODES (Job Codes)

In 3 Minutes Employer can Build a Labor Order for a ship or port facility in order to request labor from multiple ILA Locals.

 Build Ship	 Build Gate	 Build Warehouse
 Build Rail/Yards	 Build Intermodal	 Build Intermodal
 Archive Labor Orders Dispatch Orders	 Reuse Labor Orders	 Pending Daily/Weekly Labor Orders

EASY TO BUILD. EASY TO USE.
The same programming language, the same integrated database and an easy-to-use graphic interface, insures that data exchanged between the Labor Order Portal and the HW Schedulers is seamless.

Labor Orders Use Standardized OCC Job Codes that reflect base rates and fringe benefits from latest ILA/USMX District Agreement

Jobs displayed in Labor Orders are seeded from each ILA Local's Job settings and reflect the **most current base rates and fringe benefits from the latest ILA/USMX District Agreement**. Employer's Certification Requirements are identified by each **job/OCC Code and compared against Employee Certifications at point of hire.**

Clerks & Checkers: Ship, OCC (Job Codes), Payroll Codes, Base Rates											
*Contract Base Rates are used for reference only. All tiered rates and calculations are found in the Harbor Watch Payroll Reconciliation Application.											
Select	Description	Job Code OCC	Payroll Code	Employer Certification Requirements					Base Rate*	Facility Type	Availability Code
				Cert 1	Cert 2	Cert 3	Cert 4	Cert 5
