

Dear community of Sts. Peter and Paul Catholic School,

After much prayers and consideration, I am retiring at the end of this school year.

It is bittersweet to say good bye after 52 years in education, forty of which I have spent at our school as a teacher, as Assistant Principal and as Principal.

I want to thank, first of all, Father Juan M. Lopez for his support and guidance in both my professional life and religious formation. His example of service to all has been an extraordinary lesson.

I want to extend my best wishes to Mrs. Jocelyn Zlatkin for her dedication to the school. I wish her a bright and successful future.

I want to applaud Dr. Maria Valcourt for her enthusiasm and her good judgement in guiding our student.

I want to commend Mrs. Cindy Perez for the many hats that she has worn during my tenure, all done with great efficiency, love and perseverance.

I want to show my recognition to Mrs. Mirelis Asper who diligently takes care of many of us.

I want to acknowledge the faculty and the staff for bringing into life not only the academic curriculum but also for their dedication to the students and the school.

I want to remind the students, past and present, the lesson presented in Proverbs. "Wisdom will enter our heart but knowledge will fill us with joy".

I want to recognize the parents for their example and support for so many years especially the Home School Association and the members of the Advisory Council.

In brief, I want to wish all of you a myriad of good wishes as we close the school year 2018-2019.

In faith, hope and Charity,

Carlota E. Morales, Ed.D.

Principal
