President's Message

Summer time is fast approaching. Time for car shows and cruise nights, so let's get the birds out.

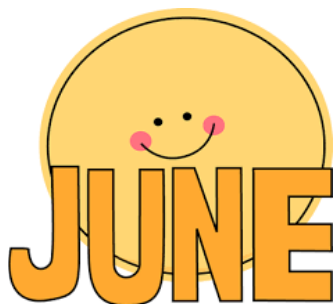

Our last meeting was hosted by Al & Lorraine in a refreshingly different location, Bruno's in Morris Plains, which was well attended. There was not too much business as the previous meeting was only 2 weeks earlier, this was due to other occasions, other commitments or holidays forcing us to have a meeting close to one another. We are all looking forward to the next meeting at Charles Musto's shop.

There are lots of activities coming up namely our picnic and the Knoxville/Nashville trip.

On May 20 we held the tune up clinic at the Martin's home. Several members had work done on their T Birds, including me with the biggest job of putting on front discs bakes. Thank you to Tom Mirro and Rich Martin for doing all the work on mine. Check out the pictures on the web site

Glad to hear Alec has moved in with his daughter and family, I am sure he will get a lot of needed TLC that only family can give. Get well my friend.

Pat LeStrange

May Meeting

Our host was Al & Lorraine Cirinelli. It was a very threatening day which kept almost all the Birds in their garages. The venue was different and a nice change. The food was good and we had a good crowd. Thanks to Lorraine and Al for hosting.

Highlights of the Business Meeting

The prior meeting's minutes were read and accepted as was the Treasurer's report.

Bill Downing reported on the picnic preparations, noting that the park permit and insurance is in place..

Rich Martin discussed the Tune Up Clinic coming up on May 20th

The Knoxville Convention was briefly discussed.

The meeting at the Musto's was discussed, mainly travel plans.

Rich Martin brought up the subject of grille plaques and possibly get the gold Tbirds from CTCI

Joanne said she is looking into new patterns for apparel.

Bob Sabino won the 50/50

Next meeting June 3rd

For more details on the meeting go to the members section of the website.

May Meeting

Vice President's Message

It is raining again, what a surprise! Some good news, the weather is finally going to be spring time. No rain for a few days. Cruise nights have started, see the list elsewhere in this newsletter. If you know of a cruise night or car show, let Paul (our Editor) know. Get your cars out on the open road and enjoy showing them off. Drive safe and have fun.

Have not heard any more about how Alec is doing. Bill Jesse is doing ok, his eye is still blurry, hoping it clears up. Please if anyone knows if a member is in hospital or having surgery, please let Lucille Chabala know.

Thank-you Rich and Lois for hosting the tune-up clinic once again. We had a great day, good people, good conversation, good food. Some work were done on cars, especially Pat's brakes. Tom Mirro was a big help working on Pat's car. All our men were so happy just to work on cars and tell their stories.

Our next meeting is a road trip to Pennsylvania. Charles Musto will be hosting the meeting. Whoever is going, please call him and tell him you are going. Please also let Joanne know if your going. Everyone is to meet in Delizias parking lot on Sunday morning, June 3rd. (9 AM). It's worth the trip.

Before you know it our annual picnic will be here on August 5th. Please keep date open. I will be sending a sign up sheet asking what you will bring, salads, deserts, etc. Bill Downing is our man in charge. He will be looking for volunteers to help him. Our picnic is a great time, do not miss it.

Believe it or not Memorial Day is here. Please take a minute of the day to thank our Vets, past and present. They fought and serve for our freedom. Have a great and safe Memorial Day.

Happy Fathers Day to all. Maybe your children and or grandchildren will invite you for a BBQ.

Deepest sympathy to Merry Case in the loss of her mother. Our prayers are with you and your family.

See you soon, Arlene

Tune Up Clinic

Despite a morning shower, XXX Birds showed up at the tune up clinic. Most were just to visit, only two came for some repairs. Pat was in for disc brakes up front and Rich luso came to get a few small things taken care of. Rich's items were speedily taken care of and Pat's was 99.9 % finished, saved for a bad hydraulic fitting that a replacement could not be found. The ladies enjoyed chatting and like the men usually, told a few tales.

Lois had the coffee machine at the ready and the members brought donuts, crumb cake, bagels and more for the members to fuel up on.

For lunch, Lois made a great chili and did hot dogs on the grill.

The day turned out to be very nice and a lot was accomplished. A number of Birds were showing their stuff for Thunderbird

Appreciation Day.

Many thanks to Lois and Rich for hosting this event.
