Fight Oar Die Update

***Happy Summer to
our Gala Attendees!!***

We have been hard at work here at HQ since the Gala but wanted to give you an update!

We filled the 2019 team with not one, but TWO Marines!! OOooRah!

Please welcome to the 2019 team: **John Fannin**, a Texas native/resident, and **Evan Stratton**, a Colorado native/resident. These two will join Army veteran, **Luke Holton**, and Navy veteran/Skipper, **Carl Christensen**.

Gala Ticket Sales

We had just under \$12K in ticket sales, and \$800 in online donations leading up to the event.

Gala Auction Sales

We brought in just under \$30K in auction sales, with another few thousand in added donations at the "paddle raise" at the end.

Link to Gala Pictures

As our amazing photographer was able to capture a lot of you in pictures, we wanted to share the link for you!!

We are working on another local fundraiser around Evan Stratton's Alive Day next month (ten years since he was injured and received a Purple Heart!--kind of a big deal!!). And another couple of fundraisers by the '19 team TBA!
