

Garrett Middle School Bowling

We will practice on Monday's from 4:00 to 5:30 every week beginning on February 23rd. Bowlers must have a minimum of 6 games bowled to be eligible for the regional tournament. They will bowl these games during practices to establish an average. In the past, Auburn has held a practice competition, where bowlers must wear their uniforms and they will bowl 2 games to prepare for the regional competition. Coaches will keep you informed if this will happen this season.

There are QR codes attached to the paperwork, and everyone must **enroll online before being able to participate**. Each bowler will also need to fill out a **sanction card** even if they are currently already bowling in a league. There is also a **grade release form** to be signed by both the parent and student, as we must maintain the same academic standards that the school uses in all their sports and extracurricular activities to be eligible to participate. Which means everyone must be passing every class they are enrolled in. We will be checking in periodically with your school's athletic director to see grades.

The cost will be \$75 per bowler to participate. This fee will cover all practices, an Indiana Middle School Bowling jersey, participation ribbon, and the entry fee into our regional tournament to be held on Saturday, May 2nd (the time & location to be determined later). Those advancing from regionals will bowl the following Saturday, May 9th at semi-state and if they advance past that, they will bowl in the state finals on Saturday, May 16th. Starting at regionals, there will be a spectator fee. We will keep you updated on how to purchase tickets.

All bowlers will also be allowed to come in and practice for 30 minutes without scoring at no charge during open bowl hours pending lane availability. At the conclusion of our season, we will have a pizza party for all who bowled and their parents and siblings.

Please download the Stack Team App as we will be posting information throughout the season on this app. Parents and bowlers, please don't hesitate to reach out to me with any questions or concerns. My contact information is listed below. I hope we have a fun and exciting season!
