Thank you to all our families who participated in our November All School Mass celebration yesterday. This is a wonderful way to show the faith formation that takes place at Holy Spirit Catholic School.

As you know, our auction committee is in full swing. We look forward to another successful event to benefit your children and the programs we provide. Attached is a donation request letter. I urge you to consider in what way/s you can help the committee and our school in this important event. We need everyone's support!

Our December All School Mass will be in conjunction with the Guadalupe Mass at the Events Complex on Dec. 15th at 3:00pm. Mark your calendars!
