

ESL Pleased to Be Newark's Business of the Month – June 2018

Eight years ago, ESL expanded its branch network and opened one of the company's newest offices in Newark. Since opening the doors in 2010, employees at the Newark office have been active in the community in many ways. To name a few: last year, the branch decorated bowls at Empty Bowls and served food to support the Newark Food Closet; participated (and won best business!) in the Village of Newark Pumpkin Sculpture Contest; and volunteered to ring bells with the Salvation Army at the Red Kettle Campaign. Also, earlier this year the branch celebrated Community Pride Day and was recognized as "Most Colorful Newark Business Exterior."

In early 2018, the branch welcomed Angela Kaltenbach as its new branch manager, a 15-year veteran in the banking and financial service industries. Stop by the Newark branch to meet Angela and the entire ESL staff at 140 South Main Street.

ESL Federal Credit Union traces its locally-owned roots back nearly 100 years, and serves as a full-service financial institution to approximately 348,000 members world-wide. In total, ESL employs more than 750 people in the Rochester community and holds \$5.8 billion in assets. The company has appeared on the Great Place to Work® Best Small & Medium Workplaces list for seven years since 2010.
