

## Topical Index February 2017

### Abortion

#### ~COURAGE My Children, COURAGE Pray No More Abortions – February 9, 2017

- The **souls of innocent little children** also carry much weight before the Father. They may not understand politics, but they understand killing babies in their mother's wombs. And with this on their heart, they will pray as powerfully as anyone can pray. Ask them to pray that no more innocent babies will be killed in America, and even in the world, but especially here - the land of freedom and safety for all but the babies in their mother's wombs.
- The **abortions MUST stop**, because My Father's wrath will not tolerate this heinous sin. Indeed, America has been the Great Harlot. Unless that changes, she will reap the justice she deserves.
- Pray very hard for President Trump, that he will feel My conviction over the sins of this nation, especially abortion. Pray that the conviction goes very, very deep and that he stands against all pressure and opposition that will be leveled against him as this agenda moves forward. **I, in turn, will protect him.** (full synopsis under: **Trump, Donald/Suffering for the sake of**)

### Bride of Christ

#### All Brides

#### ~Gently Admonish Those Who are Ignorant & Keep Your Bridal Garment Clean – Feb. 18, 2017

- **Brides, keep your dress clean, without spot, wrinkle, or blemish.** Do not lapse into judgment and name-calling. Do not draw conclusions that could lead to false accusation. Simply state the facts and under whose watch it happened. Be as charitable as you can.
- Anytime you deal with the world there is the potential of becoming slimed. That is why I have called you to be prayer warriors and brides. **A bride wars behind the scenes and speaks only when absolutely necessary, and when silence would be a sin.** (That's also in the Scriptures - don't have the address.) The rest of the time she is beside her Beloved, comforting Him. **I deal with enough of the world to want to escape it when I come to rest in your gardens, My beautiful ones.**
- Remember, **I am doing the doing, you are backing Me up with prayer.** Keep your commitment to the truth clean and unsullied by slander and harsh words. Then, when you and I are alone together, you will not have to spend all our time repenting. (full synopsis under: **Shadow Government**)

### Demons

#### Demons: Sexual Encounters

#### ~Guard Your Hearts and Bodies from Demonic Influence – February 6, 2017

- Some of us are going through great sufferings again and may be for at least the next 90 days.

- Someone on the Channel alerted me to a **sexual encounter with a demon.** I want to help you understand this and protect you from them

- There are many sexual demons that prey on women and men. They are allowed to test your purity – and sometimes as a result of **Pride or Self-Righteousness**. Lust can be extremely veiled under the pretense of affection.
- **Jesus is NEVER, EVER impure, sexual or sensual, in ANY way**. If what you experience is of this nature – it is NOT HIM. It is a demon. You must repent and ask His forgiveness and run back into the Lord's arms!
- Jesus: I wish I could tell you how many of My children fall into this trap. They do not know My character well enough to resist. I do not condemn you – but ask that you run back to Me to be forgiven. I know how powerful the sexual urge is. I, too, was tempted in ALL things, but never fell into sin. I am WITH you. I know how powerful the stimulation of a demon can be. Be wise. Be careful. **Know My character and be oh, so vigilant to the leaven of Pride.**

## DNA

~**Hope for the Poison of Pride – There is Hope for the Proud – February 3, 2017**

- When you behold your sins, **there is MUCH behind you. Layer of sin, DNA, heritage**. You are stopping it all at THIS generation. This is why I keep you away from the media. Only the healthy and faith-building videos are good for inspiration. I will direct you to these. (full synopsis under: **Pride**)

- **Clare:** explanation for delays in messages – she's focusing on music.
- Two Heartdwellers sent in letters with questions.
- Larry asks about the message The Rapture: What Will You Experience? questions on training in Heaven, Donald Trump's election affecting the timing of the Rapture, and signs of the Rapture.  
Clare answers citing Matthew 24 & 25 and what the Lord has shown her – a missile coming out of Brussels striking Miami the day of the Rapture.
- Another woman asks about the outer part of Heaven.
- Clare answers with testimony from Jesse DuPlantis, her own experience of Heaven and Revelation 22.

## Humility

### ~Hope for the Poison of Pride – There is Hope for the Proud – February 3, 2017

- Jesus: I have no desire to discourage and defeat. I am sorry for the pain and trials, but these are necessary struggles to **bring you to the humility you ask for**. I am here, and I love you. Your life is so like the ones you minister to on the Channel – your hope gives THEM hope.
- My people, when you are standing on the solid ground of **humility** you are safest. It isn't easy, seeing your vulnerabilities and weaknesses. It isn't easy, knowing you have a long way to go still in this journey. But I am with you ALL the way, and the more sincere you are about eradicating sin from your lives - the more pleasing you are to Me, the more I unite Myself to you. The more I carry you. (full synopsis under: **Pride**)

I do not condemn you – but ask that you run back to Me to be forgiven. I know how powerful the sexual urge is. I, too, was tempted in ALL things, but never fell into sin. I am WITH you. I know how powerful the stimulation of a demon can be. Be wise. Be careful. **Know My character and be oh, so vigilant to the leaven of Pride**. (full synopsis under: **Demons: Sexual Encounters**)

### Come to Me!

#### ~Come to Me in Joyful Expectation – February 12, 2017

- **Clare: writing her song** instead of prayer caused concern that she was not doing the right thing at the right time. Her fragmented day made it all the worse.
- **Jesus**: I want your worship and writing of music is to be seamlessly united to Me. What begins in worship should move seamlessly to the keyboard. Do it all from a place of worship – this is the secret. **We as two become united as one, and will do this together**.
- You look at Me with eyes of fear – this hurts Me. Why are you afraid? You are a work under construction, doing your best. Handling situations to your best ability. And denying yourself as well.
- **Clare: story of bracelet**.
- Jesus: I long for your love and attention! I know your days are busy and fragmented, but at the end of it all, **don't run FROM Me – run TO Me!** I am overjoyed when you come to Me.
- I am as a construction boss – I see you working, messes and all. These do not dismay Me – I will clean them all up. The enemy never rests – working constantly against you.
- **I am NOT a mean-spirited task master!** I am the tender Lover of your Soul! You cannot have a heart of love if you are constantly afraid that I am displeased with you.
- At the end of the day, if there is a matter between us, we will address it. But **COME to Me!** Do not look back over your shoulder at Me in fear – ever! I love you and look for you longingly.

## Obama/USA-America Political/Government

### ~Obama Beheaded – Pray and Fast for a Breakthrough! – February 25, 2017

- Clare: **Ezekiel and I were called into a prayer vigil**: more time, more grace, more mercy for our country and Trump. Especially the Divine Mercy.
- **Clare vision**: I saw Obama, taken up in his thoughts, his head back and finger on his chin, with a haughty self-assured expression on his face. After I received communion, I saw a knight in steel armor in fighting position with his sword extended, and standing before him was Barack Obama. The knight lunged forward and struck him on the neck. **Obama's head came off**. Obama's head came flying off with no effort on the knight's part - just a simple lunge and stroke and it was over. My immediate impression from this vision was the Lord putting an end to what he's doing to raise opposition up in this country. Somehow, something's going to happen, I believe, that's going to curtail all this and put a stop to it. And it will involve him being exposed. This was just my impression.
- Jesus: **Obama's time for pulling the wool over this nation is coming to a close**. He will be exposed for who and what he is and this country will walk over his bones into her destiny.
- **If you want to ruin a nation, make it prosperous** - that's when the real dangers set in. As long as this nation cleaves to Me, I will defend it. But should Christians become worldly and careless, that's when this nation will fall. The greatest opportunity for a fall is after a great victory. If this nation cleaves to Me, I will indeed protect it.
- **I am calling you to intensified prayer**. I have presented to you what CAN happen, if you continue to fast and pray. The three years is still conditional on this. It will NOT happen if you are not faithful to fast, pray and offer up sacrifices. What your president is facing in this hour is highly critical. That is why I am calling My prayer warriors to fast and pray.
- **Expect Me to move mightily** and you WILL see the glory of God and His triumph over evil in this coming season.

## Prayer

### Dwelling

#### ~Hope for the Poison of Pride – There is Hope for the Proud – February 3, 2017

- There is **NO substitute for holy Dwelling Prayer** – time with Me each day, face-to-face, where we may discuss your challenges and petitions for loved ones and nation. Please be vigilant and nourish your soul with the sweet honey that flows from My heart to yours.
- When you **love Me with all your heart**, and there is nothing left for self-love, then **you will conquer your sins**. When I say 'sins', I also mean those things which you know are not expedient for you to indulge in because they woo you away from Me by their own attractiveness. Every step away from these things makes you stronger and clears the way for more grace, more understanding and more spiritual gifts. If you start to slide into the past or indulge in faults - stop! Repent and pick up where you left off - and keep going. I do not condemn you for these falls; rather I approve greatly and rush to support your will to pick up and keep going in the right direction. (full synopsis under: **Pride**)

### For Our Country to Withstand Evil

#### ~Obama Beheaded – Pray and Fast for a Breakthrough! – February 25, 2017

- **I am calling you to intensified prayer**. I have presented to you what CAN happen, if you continue to fast and pray. The three years is still conditional on this. It will NOT happen if you are not faithful to fast, pray and offer up sacrifices. What your president is facing in this hour is highly critical. That is why I am calling My prayer warriors to fast and pray.

- **Expect Me to move mightily** and you WILL see the glory of God and His triumph over evil in this coming season. (full synopsis under: **Obama/USA-America....**)

**~Pray Against Evil Being Spoken Over America – February 1, 2017**

- Clare: exchange with the Father and Jesus about her areas of sin weakness.
- Jesus: as long as you keep your heart and eyes on My heart and eyes, you will remain strong. And herein is where most fail. They get delivered and forgiven and feel so good they launch into work that begins to take time away from prayer and repentance. I am being especially diligent to remind you of that priority and you spoke well when you said ministry is but the tip of the iceberg. I spent 30 years preparing for three years of ministry. That should tell you something.
- Mention that Ezekiel was suffering for the country.
- Jesus: Do you realize the **crisis your country is in?** Those plotting from underground, the ruling elite and their dark minions, are undermining their own government and fomenting civil war. It is not going to happen, but all this rhetoric and slander is bringing the nation down and must be stopped. Evil is being spoken over this country 24/7 by the bought and paid for media.
- **Call for intercessors to continue to stand in the gap.** Hold this ground that has been taken at a very high cost. The first three months will be the most difficult. After that, corruption will be exposed more and more. Hold your ground, My People!
- 

**Pride**

**~Guard Your Hearts and Bodies from Demonic Influence – February 6, 2017**

- There are many sexual demons that pray on women and men. They are allowed to test your purity – and sometimes as a result of **Pride or Self-Righteousness**. Lust can be extremely veiled under the pretense of affection. (full synopsis under: **Demons: Sexual Encounters**)

**~Hope for the Poison of Pride – There is Hope for the Proud – February 3, 2017**

- **Clare: a lesson** on the subtleness of Pride. Using her own will instead of listening to Ezekiel's advice, she incurred a painful accident, hurting her head.
- Jesus: I have no desire to discourage and defeat. I am sorry for the pain and trials, but these are necessary struggles to **bring you to the humility you ask for**. I am here, and I love you. Your life is so like the ones you minister to on the Channel – your hope gives THEM hope.
- My people, when you are standing on the solid ground of **humility** you are safest. It isn't easy, seeing your vulnerabilities and weaknesses. It isn't easy, knowing you have a long way to go still in this journey. But I am with you ALL the way, and the more sincere you are about eradicating sin from your lives - the more pleasing you are to Me, the more I unite Myself to you. The more I carry you.
- When you behold your sins, **there is MUCH behind you. Layer of sin, DNA, heritage.** You are stopping it all at THIS generation. This is why I keep you away from the media. Only the healthy and faith-building videos are good for inspiration. I will direct you to these.
- There is **NO substitute for holy Dwelling Prayer** – time with Me each day, face-to-face, where we may discuss your challenges and petitions for loved ones and nation. Please be vigilant and nourish your soul with the sweet honey that flows from My heart to yours.
- When you **love Me with all your heart**, and there is nothing left for self-love, then **you will conquer your sins**. When I say 'sins', I also mean those things which you know are not expedient for you to indulge in because they woo you away from Me by their own

attractiveness. Every step away from these things makes you stronger and clears the way for more grace, more understanding and more spiritual gifts. If you start to slide into the past or indulge in faults - stop! Repent and pick up where you left off - and keep going. I do not condemn you for these falls; rather I approve greatly and rush to support your will to pick up and keep going in the right direction.

- Understand that **you are not alone in this journey**, there are dimensions you do not understand in your very cell structure and DNA. Things you have had no control over. So, carry on, Dear Ones - and don't be discouraged by your falls or faults. Rather, pick up and cling to Me with greater and greater resolve. And together, we will walk the rest of this way into Heaven.

### Self Will

~I Did It My Way vs. Trusting God's Way – February 18, 2017

- Clare: story of temptation to buy a red heart necklace.  
Jesus: Letting go is the issue. Let go of all, give Me the freedom to work in your soul as I would like to. Trust and do it MY way – abandon yourself to Me

### Shadow Government

~Gently Admonish Those Who are Ignorant & Keep Your Bridal Garment Clean – February 18, 2017

- Jesus: You have been appraised of how the **enemy is trying to foil My plans for this country**. Wonderful things are in store for her. But only because each and every one of you sacrificed willingly, time to pray, fastings and suffering offered to the Father. Because of this, the ball keeps rolling away from dependence on the **shadow government**.
- As disclosure becomes more complete, **those who have been in power in the media are going to lose their standing with the public**. They have been cheated and lied to about the truth, because they are owned by the shadow government. But people are waking up and looking at whose crimes have been dismissed...as Ben Ghazi. Atrocious crimes committed on many different levels are coming to light and the ignorant public is beginning to see the clay feet of their political idols disintegrating before their very eyes. **Each one of these sins and iniquities has been worthy of life imprisonment.**
- **Not one of the accusations made that are grounded in truth shall go unpunished**, because at a certain point the outcry will be so loud that there is no more escaping justice. I, Myself, am bringing up this filth, because this nation has been blind. **Your prayers and those of thousands of others, some not even of this nation, are day and night being brought before the throne of My Father** - and there will be no more provision for deceit. Truth will triumph.
- My dear ones, you have done very well to pray. But also, **you must gently discuss these matters with people and not gloss them over**. Do not bring up religion and muddy the waters, at this time while discussing your government. Rather, bring up verifiable facts from reputable sources. Do not use strong language or cause division or offense, rather be meek, humble and full of truth. Simply offering the accurate information and saying, 'These are the verifiable facts. It is your decision what you believe, but please consider getting the facts from a source unrelated to the syndicated national media.
- **Brides, keep your dress clean, without spot, wrinkle, or blemish**. Do not lapse into judgment and name-calling. Do not draw conclusions that could lead to false accusation. Simply state the facts and under whose watch it happened. Be as charitable as you can.

- Anytime you deal with the world there is the potential of becoming slimed. That is why I have called you to be prayer warriors and brides. **A bride wars behind the scenes and speaks only when absolutely necessary, and when silence would be a sin.** (That's also in the Scriptures - don't have the address.) The rest of the time she is beside her Beloved, comforting Him. **I deal with enough of the world to want to escape it when I come to rest in your gardens, My beautiful ones.**
- Remember, **I am doing the doing, you are backing Me up with prayer.** Keep your commitment to the truth clean and unsullied by slander and harsh words. Then, when you and I are alone together, you will not have to spend all our time repenting.

**~Prayer & Suffering for America – Sickness: When is Enough, Enough - 20, 2017**

- Jesus: you are dealing with **tremendous forces aligned against your president**, trying to unseat him and stop the reforms he is bringing to your government. I need as much fasting and prayer as My Body can handle, to turn this tide of evil released from below. Yes, below - in more ways than one. Yes, in the underground cities and unleashed from Hell, the **shadow government** that was looking forward to their greatest victory this year. They have been unseated and are lashing out with vicious retaliation.
- Because the hearts of My people have repented and cried out for justice, I will continue to make their enemies impotent. But you are dealing with decades of the growth of the **elite shadow government** being formed – and it won't go away in a short time.
- You are fighting Satan's plan. Ignorant young people. Artificial Intelligence and those with no souls. As well as those who are not 'right' in their spirits or minds. Their consciousness has been altered and trained to respond to only one set of agendas. What they - the clones of the enemy and satanic worshippers - have planned for this country has been carefully executed, layer upon layer. And reversing the order is far more complicated than electing a man who will do the right things. This is why these times are so very trying for you.
- **Some have offered yourselves to Me without conditions.** I asked you to count the cost before you made that commitment, because I knew it would be very tough. And for this reason, when things are working against you with the most force, I intervene. But others do not cry out for My intervention. They just quietly and humbly carry this crushing burden until I say, 'Enough!'
- **I suffer right beside you** – many do not know this. At the worst, I look upon you with great compassion. Many do not see that I am there – this, too, is a great suffering!
- **Sickness is a cross.** I heal when I decide it is time. Always in MY time. It may be instant. It may take days or months or even years. Always healing, but always in My time.
- This is the meaning of **carrying your cross. What I allow is specifically fit for you and only you; it is indeed your cross.** And I have called you to deny yourself, pick up your cross and follow in My footsteps, which in the case of My people, can be like a crucifixion or a long illness. Know that you are doing a good and perfect work by offering to Me what I allow for your prayer intentions. And if you do not know why I have allowed a suffering, check your conscience and then trust Me for whatever cause I have allowed it.

**Suffering/Trials**

**~Prayer & Suffering for America – Sickness: When is Enough, Enough - 20, 2017**

- **I suffer right beside you** – many do not know this. At the worst, I look upon you with great compassion. Many do not see that I am there – this, too, is a great suffering!

- **Sickness is a cross.** I heal when I decide it is time. Always in MY time. It may be instant. It may take days or months or even years. Always healing, but always in My time.
- This is the meaning of **carrying your cross. What I allow is specifically fit for you and only you; it is indeed your cross.** And I have called you to deny yourself, pick up your cross and follow in My footsteps, which in the case of My people, can be like a crucifixion or a long illness. Know that you are doing a good and perfect work by offering to Me what I allow for your prayer intentions. And if you do not know why I have allowed a suffering, check your conscience and then trust Me for whatever cause I have allowed it. (full synopsis under: **Shadow Government**)

### Time, How We Spend it

#### ~Adornments for the King's Bride – February 15, 2017

- Clare: the Lord is bringing to me the realness of the shortness of time left.
- Jesus: I need an **honest investment in time from you.** And honest appraisal of how you are spending your time. I am doing this across the Body right now – calling attention to each soul who desires with all their hearts to be pleasing to Me, not wasting time on themselves.
- My dear and precious ones, it is very difficult at times to recognize self-serving from serving Me and My needs, which come up in your lives every day. But I rest in your hearts and make Myself felt when you begin to stray. Please, do not ignore the promptings of your conscience when you set to work on something that will take you away from Me. Please do not ignore your conscience when you see the poor or feel the prompting to support a ministry. **I am calling you all to accountability both in time and resources.** Not in a harsh way. But exhorting you. Time is short. You have very little time left to do all you can for the Kingdom of God.
- This is a **time of sowing** as you have never sown before. This is a time that will lead to great harvest as you have never experienced before. Do not waste this time on personal interests, but sow into My Kingdom and My agendas and you will reap the rewards in due season.
- **Your prayers for your country** have also adorned your wedding garments and are opening the doors to a new day of opportunity. The battle does indeed rage, but My ravishing Bride goes forth by My Spirit conquering and holding the hard-won ground that will cause a rebirthing of this nation before the Tribulation begins.

### Trump, Donald

#### ~Betrayal Surrounds Your President – February 26, 2017

##### synopsis

- Jesus: It is thought that those closest to you can do the most damage, but in reality it is the ones who carry the greatest responsibility that will be targeted by the enemy to bring you down. **Donald has many fine staff members,** but truly **there is a traitor among them** and this will be brought to the light. I grieve for him, Clare. This man is truly going through a crucifixion because of those around him that want to see him ruined. They say one thing with their mouths but have already planned how they will stab him in the back and bring him down.
- **I will not allow it! He is not going down.** But it is painful when forced to suspect those around you.

- Many say many things, many plot evil doings against the man and the nation - but I see all and miss nothing. **I laugh those to scorn who think their doings are hidden from Me**, for I know what a man is going to think before the thought even forms in his mind.
- As he removes the devastation that Obama did, his enemies grind their teeth and make renewed efforts to bring him down. In this moment, **it is truly a miracle that he is still alive**. It is only by My grace. What is more puzzling to his opponents is WHY can't they get to him? Why don't the usual plots manage to unseat him? Why does he continue to go on to expose more and more of the corruption? The answer is simple: **My People - your prayers have moved the heart of your God**.
- This is a season of waking up and taking stock of what needs to be done to set this country on the right course and destroy the pockets of corruption that have controlled everything, from what is taught in the schools to foreign policy. **You, My people, must take stock and pay attention to your leaders who understand who is for Me and who is for Satan**. You cannot afford to ignore what goes on in your congress and senate any more. I need you to go out of your way and do what is right for your country.

### Draining the Swamp

~The Swamp Wars, PRAY & Inform w/Brotherly Love – February 24, 2017

- **Jesus:** It is shocking to the American people what has been going on right under their noses. In fact, it is so shocking that no one wants to believe it. And this is being exploited by the elite-controlled media. The more water **drained from the swamp**, the more vicious the retaliation. This is where My Christian people can have the victory. Defend the truth, expose lies, and stand in solidarity behind this man - President Trump.
- Many **rumors and false reports** are being generated about him in order to destabilize the government, but My praying Christian people are nipping these lies in the bud with prayer. Prayer, prayer and again I say: prayer. Yes, you have all suffered greatly for this man and for what is right, and your prayers are keeping the attackers at bay. But **he needs prayers for strength**: morally, spiritually, physically and emotionally. The underground government is coming out from hiding and using many uninformed people with no interest in doing what is right for this nation.
- I am working on the hearts of many. But being informed and informing those who have no understanding will turn the tide one by one. Exposing the truth is your greatest weapon next to prayer. **Wake up America, wake up!** Time to see the reality of your political system for what it has been and still is. Time to hold your representatives accountable for their allegiances and the way they are attacking those 'draining the swamp.'
- **Clare advises writing** a short document/flyer about the truth of our government
- Jesus: I know it has been **hard on many of you**; very, very hard. (Boy, I can attest to that...) But there has been no other way to garner the strength and force to release graces upon the people. It is a bloody and hard battle and many heroes of the faith have come to the forefront and taken severe losses. Yet their hearts are enlarged during their dwelling prayer with Me and they are doing valiantly.
- **I am with you, precious ones**, and every one of your efforts brings Me great comfort that truly, you do care for the children of this world as I do.

## Suffering for the Sake of

~**COURAGE My Children, COURAGE Pray No More Abortions – February 9, 2017**

- **Jesus: Courage. Courage in suffering,** My Children. We are not out of the woods yet with your President and much intercession is needed to move on the hearts of those who are resisting him and causing delays. They are making it very hard for him to initiate the changes that have to be made. But they will bend. I, Myself, will see to it and we will get past this point. But it is going to take much perseverance in prayers and offerings, especially for your Senate.
- **Choose wisely who you vote to put in office.** There are traitors in the Senate, and you put them in office by being moved by personality and appearance, not Truth. They are Destroyers.
- **We are going to win this but not without casualties and suffering** and that is why I am asking you to receive your courage from Me. Those of you who are suffering, meditate upon the wounds in My hands and feet and side as well as the head wounds when I was crowned with scorn. This same scorn is alive and well in your government, your Senate and even in the House of Representatives. It calls for patient endurance. If you have prayed for your government, you can be sure that whatever sufferings you are now enduring, whether it be physical or at work and in the home, what you suffer is being taken as a sweet smelling sacrifice and being offered to the Father that His will be done in your nation.
- **Nothing you suffer in this hour is in vain.**
- The **souls of innocent little children** also carry much weight before the Father. They may not understand politics, but they understand killing babies in their mother's wombs. And with this on their heart, they will pray as powerfully as anyone can pray. Ask them to pray that no more innocent babies will be killed in America, and even in the world, but especially here - the land of freedom and safety for all but the babies in their mother's wombs.
- The **abortions MUST stop**, because My Father's wrath will not tolerate this heinous sin. Indeed, America has been the Great Harlot. Unless that changes, she will reap the justice she deserves.
- Pray very hard for President Trump, that he will feel My conviction over the sins of this nation, especially abortion. Pray that the conviction goes very, very deep and that he stands against all pressure and opposition that will be leveled against him as this agenda moves forward. **I, in turn, will protect him.**
- Your dedication to prayer has made all the difference - that at the present time you are not running from the North Koreans and Chinese and Russians.
