The following is the Summary of what the Hamas 'Covenant' or Charter specifies. It is very telling and if one Understands its aim, one will realize Who, What and Where the Hamas invaded Israel on October 7, 2023. It is an All-Out War and the Aim of the Muslim Covenant is no less than the Genocide of the Jewish People and tacitly, the Modern State of Israel. HAMAS is really an Acronym that stands for, in English, 'Covenant of the Islamic Resistance Movement'. According to Research, the 'Covenant' was initially founded in 1988.

The origins stipulate that it had its beginnings with the Muslim Brotherhood in Egypt. It took on the Banner of Jihad or 'Struggle' against the Jews as Occupiers and Oppressors. They call for an eventual establishment of an Islamic State that engulfs all that is presently the Modern State of Israel. The Covenant unequivocally rejects a 2-State Solution as the 'Obliteration' of Israel is their Goal. This is why the Israeli-Arab Conflict, as it pertains to the Palestinian Problem, is an Existential Threat to the survival of Israel and the Jews in the Middle East.

The other Islamic Front that Israel has to also Contend with is the Shi'ite Version, many from Iran that is at its Northern and North-Eastern Flanks. This is pertaining to the Iranian Al-Quds Brigade from Iran and Hezbollah in Southern Lebanon, etc. The Argument that the Arab Muslims of Gaza decry is that Israel is 'Occupying' them. This is not the case and a False Rallying Cry. Not since 2005, has there been any 'Jew' in Gaza. They were forcibly removed by the IDF under the Orders of the then Prime Minister Ariel Sharon.

The 'Promise' of the Muslims in Gaza was 'Land for Peace'. But as with Islam, they are permitted to Lie to take Advantage of one's Enemies. So, was there Peace after the Jews left Gaza? Of course not. Since then, barrages of Rocks and Suicide Bombers and Military Assets have broken through the Borders into Israel. And the Hamas Invasion of October 7, 2013 was just one more Attempt in fulfilling the Covenant to Genocide Israel. This is what the World and Western Liberals refuse to Understand.

The Hamas Covenant has gone through many Revisions or Adjustments. One suspects it has accommodated its Language so as to not come across as Genocidal. But the Aim is still the same no matter how Colored the Language is made to be read. The Goals are very clear. Hamas came about as a Response to the 1<sup>st</sup> Intifada or 'Up-Rising' that occurred in the late 1980s-early 1990s. At that Time, it was the Palestinian Liberation Organization PLO, under Yaser Arafat.

Arafat controlled and Led the Palestinian Conflict against Israel until his Death. It is reported that the PLO eventually would have settled for the 2-State Solution but that is when Hamas was 'Birthed' and rejected the Proposals, etc. For Hama's part, they too are engaging in Double-Speak. How so?

The current Leaders have voiced that they have 'Toned-Down' their Genocidal Rhetoric of 'Obliterating' the Jews. But the Hamas Attack has now clearly dispelled that Façade. For this Reason, one will re-post the original 1988 Covenant or Charter of Hamas in Summary Format. It is taken from off the Wikipedia page on the 'Hamas Charter'. The entirety of the Covenant can be read on the Yale Law School Website. The Link will be in the End-Notes.

---

Note that in Article 8, one could not help comparing their Religion and what their God, Allah, ultimately requires of them, Death. It is contrasted to the Teachings of Jesus, that on the Contrary, Jesus came to Give Life and to Live. Yes, Theologically, the New Testament teaches about 'Putting to Death the Deeds of the Flesh'. But this is in context of presenting the Body, no longer to be used as an Instrument of Sin but to present it as a 'Living Sacrifice', not a Dead one like Islam says is the Ultimate Act of Obedience to Allah. Also notice Articles 15 and 34. It basically states what one's Point is. It says plainly that the 'Palestinian Problem is a Religious Problem'.

They got that right. Why does not the U.N., the USA and the E.U. realize that? The Point is to say, that one would accept the Notion that the Modern Day Palestinians are the Ancient Philistines, one in the same. If that is so, no Philistine ever controlled Jerusalem or Jebus at the Time. And there was not even a Temple Mount to speak of. It was a Threshing Floor of Araunah the Jebusite. This Land Transaction was recorded in 2 Samuel 24:15-16 where King David bought it for 50 Shekels of Silver. Note Article 20 also. In this Declaration, they equate Israel with Nazi Germany. 'A Vicious Enemy which acts in a way similar to Nazism, making no differentiation between Man and Woman, between Children and Old People'.

Yet, how ironic and duplicitous that Hamas on that October 7, 2023 Invasion exactly did as they said the Jews do? This goes for Article 31 as well. Such Hypocrisy. But for Article 22, 28 and 32, being a Student of History and of the Occult, one would agree, in general, of some Jews, not of the entire Race, etc. As one has compared, being Mexican does not mean one is automatically a Cartel Member. But even Jesus did expose this same Cadre that He called the 'Synagogue of Satan'.

That it can only be accomplished, not by Treaties but through the Unrestrained Jihad. This is because Hamas refutes any International 2-State Resolutions as a Solution. In the Mind-Set and Language of the Covenant, it is clear that the Muslim, on this Issue see the Palestinian Contention against Israel in how they word it, 'an eternal struggle between Muslims and Jews.'

Yet, Israel loosely is the only real approximation of a Democratic Secular State. It is rather Odd and Contradictory that all the World Mass Protests against Israel are for the most part in the West supported by the Left, politically. Such are the 'Woke' that push for all that the eventual Islamic State would prohibit: Same Sex Marriage, Homosexuality, Religious Tolerance, Free Speech, Free Elections, Abortion on Demand, Feminism. Those on the Left, in the West are unknowingly aiding and abetting a Religious War. Ironically, it is usually those on the Left that detest and loath Religion, and especially Christianity, Jesus and the Bible.

Yet, they are siding and taking up the cause of those that would eventually subjugate, because of Islam, given the change. As one can attest, the Covenant of the Palestinians is against not only Israel but any 'Jew' on the Planet. If all this was said and Numerated by Israel of the Palestinians, it would be considered, 'Genocide'. Yet, the World is holding to a Double Standard here, and the Muslims know it. In all its Iterations and 'Revisions', the Aim of the Covenant is to Destroy Israel and establish an Islamic Theocracy in all of Palestine that includes all of Israel.
