

Ashtead All Stars 2021-2022 Update No.8, Sunday 16th January 2022

Dear all,

Happy New Year to all our members and their families, and we hope you all enjoyed your break over Christmas.

As usual the committee have been working hard behind the scenes and looking at the facilities we use for our training and matches. For a number of reasons, and after much deliberation we have made the decision to stop using the facility at City of London Freeman's School, EXCEPT for the Walking Netballers who will be continuing to use the Sports Hall on a Monday evening until the end of the season. All Monday night training will be back at Downsend as it used to be.

Next season (from Sept 2022) we will be making use of the new Sports Hall at Therfield for some of our training sessions. It is closer to Downsend, and the parking is easy, so we think this will be a valuable addition to our training schedule.

This is the first opportunity I have had to report on the amazing AAS Ladies A match which was played just before Christmas. The ladies scored an impressive 98 goals. Coach Natalie remarked on the focus and the work rate till the end but was obviously disappointed not to make the 100!! Always room for improvement 😊

This weekend we have resumed the Surrey Junior League, with new venues and still no spectators, but at least all the teams were able to play. A HUGE thank you to all our parents who have followed the rules and enabled all the girls to play. It is really frustrating for all of us, and we all want spectators back as soon as possible, but in the meantime we just need to make the best of the situation. Fingers crossed we can get spectators back soon.

Thank you to all those who stepped in last minute to play or sub extra matches to cover late changes - Lizzy H, Josephine A, Jessica B, Elise and Ameemah, and thank you to all the parent helpers.
