

Older Adult Fire & Fall Prevention Training
October 21st, 2025 8:00 a.m.-3:00 p.m.
Annual Fire Prevention Professionals Conference
Chula Vista, Wisconsin Dells

Remembering When™ Older Adult Fire and Fall Prevention Program is now **Steps to Safety™ Prevent Fire and Falls at Home**

In coordination with the National Fire Protection Association and the Wisconsin State Fire Inspectors Association is putting on a Steps to Safety Course. The course will be a part of The Fire Prevention Professionals Conference on October 21, 2025 at the Chula Vista Resort and Conference Center, to sign up for the entire conference please go to <https://wsfia.org/fall-conference>.

What: Steps to Safety™ (STS) pairs fire service/EMS with their community partners to educate, engage, and bring key resources to their older adults to reduce the incidence, injuries, and deaths from fire and falls. STS is delivered through group presentations, home visits, and the creation of a network of referrals and resources to support older adults to live safely and independently at home. This enhanced program contains new messaging, video and social media assets, and enhanced educational materials.

Who: This free training is open to all fire service, EMS, public health, injury prevention, older adult services, and social service professionals who want to work together to reduce the impact of fire and falls among the older adults in their community. Prior Remembering When™ experience is great but not necessary!

How: Register for this FREE in person training opportunity: <https://www.surveymonkey.com/r/WI25STS>

REGISTER Today – Space is limited to 100 people. Confirmations will be sent a few weeks before the training.

Training objectives: As a result of this training, participants will be able to:

- Deliver engaging presentations educating your audience on the key fire and fall messages
- Conduct a basic level home visit to identify hazards and engage residents in creating a safe environment
- Identify & connect with community partners to implement Steps to Safety™
- Create a community resource network to support older adults and their caregivers
- Train peer professionals in the key concepts and processes of Steps to Safety™
