## This Month's Program

Our speaker for the Wednesday, March 9th will be Captain Steve Smith, from Ninilchik Alaska. He is currently involved with protecting his right to fish in Alaska. Fighting a similar effort from the government, to take them off the water, as we are here in California

## March 2011 President's Message

First let me thank you for all the cards, letters, emails, phone calls and your thoughts and prayers during the past month. My family and I can never thank you enough for your generosity. I want to thank Dick for covering for me at the February meeting.

By the time you read this Fred Hall will be in full swing. If you have time, make sure you attend. This year it is during the week of our monthly meeting. In the future we may have to alter the March meeting so that members who work in the industry don't have to try and be in two places at once.

United Anglers membership is a great way to support the organization and attend Fred Hall for Free. When there say hello to Wil Ebersman. He usually works their booth. Dick Guilliani can be found at Bob Sands, Don Udlock can be seen at Friends of Rollo, another great charity to support, Rich Jenkins in the past can be found with former member Tim Campbell at his booth, Garry Gillingham with Sav-On Tackle on or one of the reel manufacturers, Denise Davis, Ralph and Beck Fregoso help Dan Hernandez at his youth organization booth. I always see Mario Ringo working for one of his sponsors Fred, Bernthal, Warren and his sons and others at the show. I guess what I am saying is Turners Rod & Reel is well represented at Fred Hall. I hope to see all of you there. I will be helping Dan Hernandez and spending my allowance at all the vendors. I still want Denise to buy me a Boston Whaler boat.

It is a great time to see the newest can't live without items but to late for the old Christmas list. I want (but do not need) an AVET MC Bait caster reel. I hope some of you went to the freshwater event and I eagerly await the warmer weather so I can get out there and fish. I usually start in May but this year April 2, 2011 is my personal kick off day for ocean fishing. I plan a trip to Hesperia Lake for some catfish and Irvine Lake which I believe I missed.

In closing, support the sport fishing industry and let your voices be heard in the MPLA fight. Call, write, email, text, twitter, facebook (it used to be a lot easier just to pick up the phone) your legislators where you stand on this important issue and remind them the economy is

bad enough and loss of recreational revenues is not a good move for the state when fishing is a renewable resource which is sustainable without the eradication of the sport. Bring a friend to the meeting and see you there. Thank you.

### 2010 Membership Drive

The 2010 Membership Drive is on!!!!

 Just bring your check or cash and validate your personal information on the pre-printed forms.

The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information.

(Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

### Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2011, your 2010 membership card is void. In order to receive the discount, a current 2010 membership card will be required.
