

ORDINANCE NO. _____

=====

AN ORDINANCE AMENDING TITLE 4, CHAPTER 4, SECTION 5 OF THE MUNICIPAL CODE, AMENDING RATES FOR SALE AND DELIVERY OF WATER FROM THE MUNICIPAL WATER UTILITY AND FIXING EFFECTIVE DATES FOR THE SAME; REPEALING EXISTING SECTION OF SAID TITLE AND CHAPTER.

=====

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF GARNETT, KANSAS:

SECTION 1: Title 4, Chapter 4, Section 5 of the City Code of Garnett, Kansas, is hereby amended to read as follows:

4-4-5: WATER UTILITY SERVICE; CLASSIFICATION OF USERS; RATES: Users of the water utility of the city are hereby classified and defined as follows:

(A) Water Utility Service; Classification of Users:

1. Raw Water Service:

(a) This classification of service shall be available in all territory served by the city water utility, whether lying inside or outside the corporate limits of said city.

(b) It shall be applicable to any customer served with raw water.

2. Wholesale Water Service - Potable:

(a) This classification of service shall be available in all territory served by the city water utility, whether lying inside or outside the corporate limits of said city.

(b) It shall be applicable to any incorporated rural water district customer or any public wholesale water supply district customer, which purchases at least sixty-thousand (60,000) gallons, but less than two and one-half million (2,500,000) gallons of water within any billing month.

3. Large Wholesale Water Service - Potable:

(a) This classification of service shall be available in all territory served by the city water utility, whether lying inside or outside the corporate limits of said city.

(b) It shall be applicable to any incorporated rural water district customer or any public wholesale water supply district customer, which purchases at least two and one-half million (2,500,000) gallons of water within any billing month.

4. Large Industrial Water Service - Potable:

(a) This classification of service shall be available only in the territory served by the city's water utility which lies within the corporate limits of said city.

(b) It shall be applicable to any commercial, business or industrial enterprise which purchases at least ten million (10,000,000) gallons of water within any billing month.

5. Residential service - Standard Potable:

(a) This classification of service shall be available only in the territory served by the city's water utility which lies within the corporate limits of said city.

(b) It shall be applicable to all potable water service required for residential purposes in individual, private dwellings and individually metered apartments and trailers. Resale of water under this classification shall not be permitted.

6. Residential Service - Outside City Potable:

(a) This classification of service shall be available in all territory served by the city water utility and which lies outside the corporate limits of said city.

(b) It shall be applicable to all potable water service required for residential purposes in individual, private dwellings and individually metered apartments and trailers. Resale of water under this classification shall not be permitted.

7. General Service - Standard Potable:

(a) This classification of service shall be available only in the territory served by the city's water utility which lies within the corporate limits of said city.

(b) It shall be applicable to any customer served

within the corporate limits of the city whose potable water service is not provided for by any other rate classification.

8. General Service - Outside City Potable:

(a) This classification of service shall be available in all territory served by the city water utility and which lies outside the corporate limits of said city.

(b) It shall be applicable to any customer served outside the corporate limits of the city whose potable water service is not provided for by any other rate classification.

(B) Water Service; Periodic Rates: Water sold and delivered by the city of Garnett, Kansas, from its municipal water utility shall be billed on a monthly basis at the rates established in the following tables for each class of service by adding the customer charge and water charge for each such classification:

(1) Raw Water Service - All raw water sold by the city of Garnett, Kansas, from its water utility shall be charged for at the rate of:

(a) \$75.00 for up to one hundred thousand (100,000) gallons of water during one monthly billing period and for monthly consumptions over one hundred thousand (100,000) gallons at the rate of \$0.40 per one thousand (1,000) additional gallons; and,

(b) To which shall be added the electrical energy charges for pumping such raw water, computed at the Large General Service rate for such electrical energy.
