If you would like to help promote WRVM in your area, you can! We will place for you a WRVM sign for your yard or property. If you're interested give us a call; we will order a sign for you.

[MATT] Hello WRVM! Thank you for all of the hard work that brings us listeners a great variety of worthwhile programs and music each day; it truly is a blessing. Lately, I mostly listen to news several times during the day, and portions of family related programs. They have such great advice to offer!

[HANK] Your excellent Christian radio station continues to be a blessing to me, and I'm certain to many, many others, who "religiously" listen to your great radio station. Your radio broadcasts served as a faithful companion to me several years ago while I was going through one of the darkest times in my life.

[CINDY] I can always count on you for great Bible teaching programs, uplifting songs with heartfelt praise to the Lord! You always seem to bring some cheer with a good word and reasons to have a thankful heart. You are such an important part of my day that a day doesn't go by without turning on WRVM. You are truly my companion and friend, you're always there when I need you with great reminders of all the things the Lord does for us. This in turn helps me to have a more thankful heart and realize even more why He alone deserves our thanks and praise. That said, I am ever thankful for all of you!

As you consider supporting organizations you can actually trust to amplify the Gospel message you may want to consider the Voice of the Master, WRVM Radio. Day to day expenses and overhead costs are increasing. In addition, older radio station equipment needs to be replaced with new equipment. As a listener-supported radio ministry, the vast majority of our income is from listeners who give on a monthly basis. All gifts are tax-deductible and much appreciated. Gifts should be made out to 'WRVM' and mailed to: **WRVM / PO Box 212 / Suring WI 54174**

We would appreciate the opportunity to have some of our program guides and information brochures placed in your church foyer. It's a great way to help make others aware of our radio station and the programming we offer. Programming we trust will help to strengthen their faith and knowledge of GOD's WORD enabling them to be more valuable members in your church. We do not seek to replace the church but to assist the church in this way. If you have a question, send it to me, bkostreva@wrvm.org or mail it to:
